Hon. Caroline Owen: I stand to second.

Speaker (Hon. Pamela Omino): The house business schedule of 14th August to 15th September 2015 has been tabled by the Leader of Majority and seconded by Hon. Caroline Owen and I propose a question for further discussion.

Hon. Pamela Odhiambo: Thank you Madam Speaker, when we were at the house business committee we proposed that the Committee of welfare to meet tomorrow morning and it is not indicated here.

Speaker (Hon. Pamela Omino): You can propose it again.

Hon. Pamela Odhiambo: Thank you Madam Speaker (*interruption*)

Hon. Lydia Odhiambo: Point of information.

Madam Speaker (Hon. Pamela Omino): Granted.

Hon. Lydia Odhiambo: I wish to inform Hon. Pamela that the speaker has informed Members that they will have a Kamukunji after the session and I think the issues of welfare should be discussed there.

Hon. Pamela Odhiambo: Thank you Hon. Lydia I don't think if I need that information.

Madam Speaker (Hon. Pamela Omino): Hon. Pamela we still have time and I want to give you time to consult with the chair of welfare outside the House.

Hon. Maurice Ondiek: Madam Speaker, I want to make amendment in this schedule on 19th Wednesday August 2015, we shall have committee of Agriculture meeting but we don't have the committee of Agriculture, what we have is the Committee of Agriculture and Environment , I request it be changed to read Committee of Agriculture and Environment .

Hon. Petronilla Auma: I second that proposal.

Madam Speaker (Hon. Pamela Omino): Hon. Members there is a proposal and I want to put a question on the same.

(Question put and agreed to)

Hon. Simba Opepo: I am requesting that PIC & PAC be slotted on 25th and 26th August 2015.

Hon. Kelvin Oraro: I stand to second.

Speaker (Hon. Pamela Omino): The chairman PIC and PAC is requesting that he be slotted for a meeting on 25th and 26th August 2015 between 12:00 noon to 1:00 pm and I want to put a question for that.

(Question put and agreed)

Hon. Pamela Odhiambo: Madam Speaker, I have consulted with the chairperson of welfare and I want to propose that Welfare Committee to sit today after Liaison and I want Hon. Otiende to second.

Hon. Joseph Otiende: I rise to second the proposal by Hon. Pamela Odhiambo.

Madam Speaker (Hon. Pamela Omino): Hon. Members there is a proposal by Hon. Pamela Odhiambo that the Welfare Committee be slotted a meeting today after the Liaison Committee meeting.

Hon. Petronilla Auma: Point of Information.

Madam Speaker (Hon. Pamela Omino): Granted.

Hon. Petronila Omondi: Thank you Madam Speaker, I want to bring to the attention of the House that today in the afternoon we have plenary and the plenary hour ends at 6:30 Pm.

Hon. Willis Ogonyo: Further information, I think it is the duty of the chairman to ask for slot and the Chairman of the Welfare Committee is here and I don't know why the Hon. Member is struggling for him.

Madam Speaker (Hon. Pamela Omino): Hon. Member you are out of order because the chairperson was consulted.

Hon. Samuel Ong'ow: Madam Speaker, I want to inform the House that there is no where written that, it is a requirement that whenever a committee is having an issue to discuss it is the chair of that Committee who must raise it but it can be raised by any member. Speaker can allow any meeting to take place even during the session.

Madam Speaker (Hon. Pamela Omino): Hon. Members, there is a proposal from Hon. Pamela Odhiambo that they have a meeting immediately after liaison Committee and it has been seconded by Hon. Otiende and I want to put a question.

(Question put and agreed)

Hon. Maurice Aloo: Thank you Madam Speaker, the Adhoc Committee which was mandated to look into the issues affecting “boda boda” I have looked at this schedule, there is no slot for us, so I want to propose that on 7th Monday and Tuesday 8th respectively both in afternoon we be slotted for meetings.

Hon. Bob Ndolo: Thank you Madam Speaker, I second the proposal by Hon. Aloo we slot the Adhoc Committee on “boda boda” issues on 7th and 8th in the afternoon.

Hon. Caroline Owen: I want to know what the point of reference was and time duration they were supposed to take.

Hon. Maurice Aloo: Initially we were given a period of one month but unfortunately we have not been given any slot even in the previous calendars and I want to believe that that period will be extended given the nature of work before us.

Speaker (Hon. Pamela Omino): There is proposal from the chair of the Adhoc Committee that they be slotted for meetings on 7th and 8th of September 2015 respectively in the afternoon and I want to put a question.

(Question put and agreed to)

Chief Whip (Hon. Isaya Onyango): Mr. Speaker, I can see Hon. Members have gone through the House Business Schedule and they are ok with it, I therefore call the mover to reply.

Hon. Marlin Akinyi (Leader of Majority): I want to thank all Members who have contributed and I beg to reply.

Speaker (Hon. Pamela Omino): The House business schedule of today 14th August to 15th September 2015 has been tabled before this Hon. House by the Leader of the Majority and seconded by Hon. Caroline Owen and I want to put a question for the adoption.

(Question put and agreed)

Adjournment for Short Recess from 14th August to 14th September 2015.

Leader of Majority (Hon. Marlin Akinyi): Madam Speaker, I rise to move a motion for adjournment for Short Recess from 14th August to 15th September, 2015. I want to thank and appreciate the Hon. Members for having passed many bills and I also want to urge the Members as they will be relaxing they should also

consider visiting their electorates, with that I would request the Minority Leader to second the adjournment for the short recess.

Leader of Minority (Hon. Joshua Auko): Indeed Madam Speaker, we have passed many bills, I rise to second the motion of the short recess as from 14th August 2015 to 15th September.

Madam Speaker (Hon. Pamela Omino): The Motion has been moved on adjournment for short recess from 14th August 2015 to 15th September 2015 and it has been seconded by the minority leader and I propose a question for further debate, Hon. Samuel Ong'ow.

Hon. Samuel Ong'ow: I rise to support this motion for adjournment for short recess, Madam Speaker, during this sessions the Hon. Members have indeed done tremendous work, you will realized that this is the period that we passed several bills and tackled a lot of motions, quite a number of bills that we passed are funds related bills which will give life to people of this County.

It is therefore important for Hon. Members to visit their wards, one of the funds related bill we have passed is people living with disability funds it would be good if Hon. Members educate the electorate on it. In this period we also passed the budget bill and Hon. Members will inform the public what it contained in the budget and appropriation bill.

It has also been an issue in Kenya that whenever MCAs make any visit to outside or within Kenya it raises an eyebrow but Members of the National Government and even Senate make many visit in different towns and abroad. Madam Speaker, that has not been an issue by the members of the fourth estate.

It will be also important for the Committee of Agriculture to move with speed to look into the factors which will affect the sugar industries in the County, The Governor also talked about the issue of export meeting to Uganda and other countries and by that we also want the Committee of Agriculture to move with speed to look into how many slaughter houses we have and whether if we have enough stock of livestock which will be slaughtered in these slaughter houses.

I want to tell the members of the fourth estate that when they see Hon. Members making tremendous travels they are in line with their duties and it is not wasting a tax payer's money. Such travels improve our understanding and knowledge to deliver services to the people, I beg to support thank you.

Hon. Lydia Odhiambo: Thank you Madam Speaker, I rise to support the motion of adjournment, it is indeed true that too much of work makes jack a dull boy and by that we need to have a rest, in the past few months we had vigorous activities;

we have passed several legislations. One week ago I happened to visit Machakos County and what I saw kept many questions lingering in my head, during this recess we can even bench mark in other Counties to see what they have done. In Machakos they have people parks such that I can only compare it with singer pore.

I want to take this opportunity to condole with the bereaved as you all know that the Ker of Luo “the Luo President” died and this is the right time to condole with them, I support the adjournment.

Hon. Caroline Owen: This Morning the Ker of Luo was fine at his home, when I had the information that he died I was shocked, is the Ker of Luo really dead?

Hon. Lydia Odhiambo: Thank you Madam Speaker, I talked of the former Ker not the current.

Hon. Maurice Aloo: Thank you Madam Speaker “once Ker always Ker” I want to support this Motion of adjournment because last year when our projects were being implemented we did have time to check on them, this is the best time to check and supervise because most of the projects are being rolled out.

Also in our Committees the schedules is full therefore the members should be very serious so that they can deliver on the pending issues.

Hon. Caroline Owen: Thank you Madam Speaker, I want to support the motion that we go for short recess, the office of the clerk to look into the motions and bills that we have passed and ensure that they are forwarded to the executive for implementation, yesterday in my ward the public were eager to know the status of those bills and motions that had been passed hear from the H.E Governor, the response was that the clerk has not forwarded them to him for an assent and for implementation to take place.

The Clerk should therefore take the bills and motions that we have passed in this House and ensure that they are assented to by H.E. Governor. It is also in this recess that Hon. Members should have outside meetings with the electorates. The issue of city board should be in place, I would like to get the report for all the bills and motions that we passed before recess.

Speaker (Hon. Pamela Omino): Hon. Member, it is so unfortunate that when I was making communication you were not in, there was a request from the implementation chair that all the toll projects are forwarded to him especially the projects of F/R 2015/2016.

Hon. Caroline Owen: Madam Speaker, mine was not on the projects but on the Bills and Motions.

Speaker (Hon. Pamela Omino): That one is noted.

Hon. Aggrey Ogozi: Thank you Madam Speaker, I rise to support this motion on adjournment for short recess from 14th August to 15th September 2015. It will be appropriate if Madam Speaker you restrict Hon. Members to it and I think this Motion has been exhausted and I call upon the mover to reply.

Leader of Majority (Hon. Malin Akinyi): Madam Speaker, I want to appreciate the Hon. Members who have positively contributed on this motion. Thank you Madam Speaker.

Speaker (Hon. Pamela Omino): Thank you very much Leader of Majority. A motion has been moved before this house on adjournment for short recess between 14th August to 15th September 2015 and it was seconded by the Minority leader and it has been debated on very well. I therefore I want to put a question for that.

(Question put and agreed)

(Adjournment)

Madam Speaker (Hon. Pamela Omino): There being no any other business this House stand adjourned until 15th September, 2015 on Tuesday afternoon.
