The Temporary Speaker (Hon. Ajwang', MCA, Kaloleni/Shaurimoyo Ward): Next Order Madam Clerk!

STATEMENT HOUR

The Temporary Speaker (Hon. Ajwang'): Hon. Joachim Oketch.

Hon. Joachim (MCA, Kondele Ward): Thank you Madam Speaker. I would wish to give a personal statement based on the recent occurrence in our Country. Aware of the civil disobedience that is currently taking place across the country, I would wish to record my sincere disappointments by the actions of our police officers because these are issues that pertain to our security and the well being of the demonstrators during the picketing that we have as a coalition that is every Monday and Thursday.

Madam Speaker, aware that it is our Constitutional right to do demonstrations; it is the responsibility of the police to provide security. As a Coalition, you may be aware that we are required to file our notice in advance with the police so that they are able to prepare and provide the demonstrators with security are required by law. However, the Police have been applying excess force and using live bullets on our demonstrators. As the MCA for Kondele, I am concerned because we lost a life yesterday. As a Member who lost a voter, I would wish to condole with the family of the deceased young man. Furthermore, I would wish to call upon this

House that we put pressure on the police to ensure that they operate within the law. Madam Speaker, we can also work with the relevant committee to ensure that the police officer who shot the young man is identified. Through the committee, we can call upon the Independent Policing Oversight Authority (IPOA) to take up this matter.

Madam Speaker, as a Member of Azimio la Umoja Coalition, I wish to state that we shall continue with the demonstrations. Again, it is also our prayer that no lives are lost because of the reckless behaviour of those police officers who are trigger happy. Thank you very much Madam Speaker.

The Temporary Speaker (Hon. Ajwang', MCA, Kaloleni/Shaurimoyo Ward): Thank you Hon Joachim for your concerns.

Hon. Joachim Oketch (MCA, Kondele Ward): Madam Speaker, with your indulgence, I am asking if you could allow the House to debate on that matter. Thank you.

The Temporary Speaker (Hon. Ajwang', MCA, Kaloleni/Shaurimoyo Ward): Honourable Members, during Statements, we do not allow debates but we can allow brief comments on the statement that has been raised by Hon. Joachim. I will allow three to four Members to make their comments.

The Temporary Speaker (Hon. Ajwang', MCA, Kaloleni/Shaurimoyo Ward): Yes, Hon Oike

Hon Oiko (MCA, Kabonyo Kanyagwal): Madam Speaker, I am Hon Oiko. Not Oike.

The Temporary Speaker (Hon. Ajwang', MCA, Kaloleni/Shaurimoyo Ward): Sorry for that Hon Oiko. I apologize.

Hon Oiko (MCA, Kabonyo Kanyagwal Ward): Thank you. Madam Speaker, the matter raised by Hon Joachim is a weighty matter that concerns almost all of us. If time could allow, most of us would air their views on this matter. Madam Speaker, it is very surprising that what is allowed in law is condemned by senior government officers. The Inspector of Police condemned and made it clear that demonstrations are illegal yet the Azimio Coalition had done due diligence and notified the Police as required by law. It was now upon the Police to manage the demonstrations. However, instead of providing security, they decided to fight the common man, to maim and kill our people.

Madam Speaker, when you consider the utterances of some politicians from Kenya Kwanza Coalition, it is clear that what is happening is as a result of their instructions to the police. People have lost lives; others have been maimed and they are going further as even using teargas to disperse innocent gatherings. This is dangerous to some of us. Instead of the police doing the good job of leading Wananchi in their demonstrations peacefully, they have decided to provoke them. Madam Speaker, in some areas where there was no provocation, no violence was witnessed.

Madam Speaker, we want to inform our people that, we cannot stop these demonstrations. We must show our anger because there are reforms we want. The argument that we are going against the law is irrelevant. Law was made for man; man was not made for law. When members of the

public feel that there are particular laws which were made and they are in contravention with some of them, they are allowed to air their views. It is upon the government to listen to them.

Madam Speaker, we are asking the government to listen to members of the public so that we can address the matters being raised by the common man. I am sure that those in government do not see the importance of these matters because they are now in power. At that point when they will no longer be in power, they will see the importance of these matters.

Madam Speaker, I want to urge our people that if we do not put sufficient pressure on the government, a matter such as that of the Independent Electoral and Boundaries Commission (IEBC) will be handled haphazardly by the current government. Once one party has made unilateral decision on the composition of the umpire or commissioners, when the time of competition comes, it cannot be fair. I urge our Members to show the country the direction that some important matters should take. Thank you.

The Temporary Speaker (Hon. Ajwang', MCA, Kaloleni/Shaurimoyo Ward): Hon Oyoo of Migosi Ward.

Hon Oyoo (MCA, Migosi Ward): Thank you Madam Speaker. I want to support the Statement by Hon Joachim Oketch. I want to condemn what happened yesterday. Kisumu people are law abiding citizens. Moreover, picketing is allowed in the law. I do not see the reason the police should shoot to kill. Human lives are important and I do not think it is necessary that our people should be maimed and killed. This is uncalled for, unreasonable and does not add any value. I just want to say that not all the policemen are bad but we have few of them who are trigger happy. They are also people's fathers and they should consider that these people who they are killing are people's children. We should condemn this in the strongest term possible but even as we go out to picket, the police should guide and take charge of the ones who are picketing. We want to condemn this and it should stop and I am sure that the police aren't feeling any better. Everybody in Kenya is suffering, there is hunger, and it is the reason we are picketing, and they should equally understand that, these demonstrations is the only way allowed in the Constitution to voice our concern. Let them deal with us reasonably, let them not kill us. I rest my case and I support. Thank you.

The Temporary Speaker (Hon. Ajwang', MCA, Kaloleni/Shaurimoyo Ward): Yes, Hon. Adega of Kajulu Ward.

Hon. Adega (MCA, Kajulu Ward): Thank you, Madam Speaker, I first want to congratulate my brother for bringing this issue to this House. What is happening in Kisumu is unfair because the police are killing innocent residents in Kisumu. Currently, there is meeting that has been convened here in Kisumu by the Secretary General of UDA Party, who is in the process of recruiting youths to fight members who will be picketing on Thursday Madam Speaker. This is a serious matter, and even the police officers are suffering just like Kenyans. They should not take the Law into their hands and start killing innocent Kenyans. We are warning the IG to stop inciting police officers to kill innocent people. Action should therefore be taken on police officers involved in shooting in this meeting and to those inciting youths to attack those who will be demonstrating in the County on Thursday. This is a matter of life and death. We have the right to picket. So, where do we take our grievances, if the courts are in bed with the Executive wing

of the National Government? Otherwise, I support the statement which was brought in by my colleague Hon. Joachim Oketch. Thank you, Madam Speaker.

The Temporary Speaker (Hon. Ajwang', MCA, Kaloleni/Shaurimoyo Ward): Yes, Hon. Miriam Abeid.

Hon. Abeid (Nominated MCA): Thank you, Madam Speaker, I want to support what Hon. Joachim Oketch has brought to the House. As a Muslim who has lived very peacefully with my Christian brothers and sisters, I want to condemn in the highest manner what happened in Kibra. The Nubian Community residing in Kibra have lived peacefully with Luos since time memorial and I may go out of the topic and include that they have always supported our course. I want to rebuke the UDA government for trying to create a religious war in this Country, when we have always lived peacefully.

The Temporary Speaker (Hon. Ajwang', MCA, Kaloleni/Shaurimoyo Ward): Order!! Honourable Members, I trust that the Statement hour has elapsed. Is there anybody else?

The Temporary Speaker (Hon. Ajwang', MCA, Kaloleni/Shaurimoyo Ward): Okay, Hon. Lumumba Owade, the Deputy Leader of Majority.

The Deputy Leader of Majority (Hon. Owade, MCA, South East Nyakach Ward): Thank you madam Speaker, I have a statement to make.

The Temporary Speaker (Hon. Ajwang'): Please proceed.

The Deputy Leader of Majority (Hon. Owade, MCA, South East Nyakach Ward): Madam Speaker, I rise pursuant to the provisions of Kisumu County Assembly Standing Order No. 41(2) paragraph (b), to seek for a statement from the Chairperson of the Committee on Implementation on the matter of payment on the Project Management Committees (PMCs).

Madam Speaker, the provisions of section 5(1) of the Kisumu County Project Implementation and Management Act, 2021 established the office of the County Monitoring &Evaluation, within the Department of Finance and Economic Planning. This office was mandated according to section 6 of the said Act, to coordinate all the operations and facilitations of activities of the PMCs and to provide the quarterly reports of all activities and operations of the PMCs to the County Executive Committee Member Finance and Economic Planning for onward submission to the County Assembly.

Madam Speaker, despite the clear and distinct provision of the Kisumu County Project Implementation and Management Act, 2021, the management of the PMCs particularly in regards to their remuneration is still clouded with controversy and confusion, and it is still not clear whether the PMCs' remunerations is deducted by the Department of Finance and Economic Planning, and paid to the PMCs, or the contractors have a contractual obligation to pay the PMCs directly from their accounts once payments of the contracts have been fulfilled.

Madam Speaker, Aware that there are deductions that have been made to contractors pursuant to section 12 (b), read together with the Second Schedule of the Kisumu County Project Implementation and Management Act, 2021, it is important to know why majority of the PMCs

have not been paid. Therefore, in the Statement, the Hon. Chairperson of the Committee on Implementation should inquire into and report on;

1. Whether the CECM Finance and Economic Planning has caused to be opened a consolidated PMC account in which all PMCs' allowances are paid to in accordance to the provisions of section 12 (b) of the Kisumu County Project Implementation and Management Act, 2021.
2. Whether Quarterly Reports on all activities of the Project Management Committees for the FY 2021/2022 has been prepared and submitted to the County Assembly in Accordance with Section 6 sub Order (c) of the Act.
3. Finally, provide a record of all paid and unpaid PMCs' allowances since 2014, thank you madam Speaker.

The Temporary Speaker (Hon. Ajwang', MCA, Kaloleni/Shaurimoyo Ward): Thank you Honourable Members, I confirm the receipt of the Statement and I will direct it to the Implementation Committee but, before I do that, I can see the Honourable Chairperson Hon. Henrietta here in the House; do you have anything to say about the Statement?

Hon. Bodo (Nominated Member): Thank you Madam Speaker, the Honourable Chairperson has read to the entire House what we at the moment working on. Madam Speaker, as you know that the Implementation Committee is such a big committee because it oversees all committees in the entire House. Our problem starts at the budgeting but at it is at the moment, we have tried our level best and the report I have submitted amongst other things that the Honourable Member has mentioned. Before it takes long, probably next week or a week after, we will be able to table a report about all that he has requested for in this entire House, Thank you Madam Speaker.

The Temporary Speaker (Hon. Ajwang', MCA, Kaloleni/Shaurimoyo Ward): Thank you Honourable Member, I therefore direct it to your committee, please find time to work on it say within fourteen days and then bring a report to this Honourable House. Thank you.

The Temporary Speaker (Hon. Ajwang', MCA, Kaloleni/Shaurimoyo Ward): Yes Hon. Ngeta.

Hon. Ngeta (MCA, Awasi Onjiko Ward): Thank you Madam Speaker. I am a bit perturbed and this is through your chair, I want the Chairperson of the Implementation Committee Honourable Henrietta to come up again and say what she has just stated. I have heard her state that the committee she chairs oversees the work of all other committees in this House. I do not know whether my ears did not get her statement clearly. Madam Speaker, can the Member explain to us how this Committee on Implementation does that. In addition, going straight to the point according to how Honourable Deputy Leader of Majority (Hon. Lumumba Owade) has just read, she has not given a substantive answer to what Honourable Owade has just read. Thank you.

The Temporary Speaker (Hon. Ajwang', MCA, Kaloleni/Shaurimoyo Ward): Thank you Honourable Ngeta, I believe that I have just ruled on that matter. So, I will request you to give them time so that they report to this Honourable House after Fourteen days. Thank you.

The Temporary Speaker (Hon. Ajwang', MCA, Kaloleni/Shaurimoyo Ward): Next Order!

……

Committee Chairperson

INTRODUCTION

Madam Speaker and Hon Members, the County Assembly Committees are extensions of the Assembly established under the County Assembly Standing Orders and in accordance with Section 14 of the County Governments Act. 2012. The Committees are supposed to perform functions that the Assembly is not well fitted to consider in plenary. Following the election of a new County Assembly and subsequent constitution of County Assembly Committees on 18th October, 2022, the select Committee of Delegated County Legislation understood the importance of inducting Committee Members as this would help them understand their roles and responsibilities, learn procedures, develop expertise, and build relationships leading to a more efficient and effective committee work, ultimately benefiting the county assembly and the end, constituents at large.
It is in light of the above that the Select Committee on Delegated County Legislation undertook its induction workshop held from 17th to 22nd November, 2022 in Pride Inn Azure, Nairobi.

Official Opening
The Chairperson, Hon Mariam Abeid, welcomed Members and secretariat to the meeting and subsequently urged Members to actively participate in the proceedings to enable them understand the establishment, management and operations of the Committee after which she invited the facilitator, Mr. George Onyango, a senior Clerk Assistant at the Senate who took charge of the exercise.

THE INDUCTION EXERCISE

Madam Speaker and Hon Members, the Committee had five-day robust engagement from which Members were taught as follows;

Appreciating and understanding the role and place of Committees in the County Assembly

THAT, in the County Assembly, committees play an essential role in ensuring that the assembly effectively performs its legislative and oversight functions. Committees are smaller groups of assembly members who specialize in specific areas of public policy or legislative matters.
The committees are responsible for scrutinizing bills and other legislative proposals, conducting investigations and inquiries, and reviewing the performance of the county government in various areas.
Committees are capable of;-

i. Finding out the facts of a case;
ii. Examining witnesses;
iii. Sifting through evidence, and drawing up reasoned conclusions;
iv. Gathering of evidence from expert groups or individuals;
v. 'Take parliament to the people' and allow direct contact between members of the public.

General roles of Committees
The key roles and functions of committees in the County Assembly include:

i. Legislative review: Committees scrutinize bills, motions, and other legislative proposals to ensure that they are in line with the constitution and the laws of the county.
ii. Oversight: Committees oversee the operations of the county government and its departments to ensure that they are functioning effectively and efficiently.
iii. Investigation and inquiry: Committees conduct investigations and inquiries into issues of public concern, such as corruption, mismanagement, and other malpractices.
iv. Budget scrutiny: Committees are responsible for scrutinizing the budget proposals presented by the county executive, to ensure that the funds are allocated in a way that benefits the citizens of the county.
v. Public participation: Committees facilitate public participation by inviting members of the public to submit their views and opinions on matters under consideration.
vi. Reporting: Committees report their findings and recommendations to the County Assembly, which may adopt or reject their proposals.
vii. Initiating legislative proposals.

Appreciating the role and mandate of the Select Committee on Delegated County Legislation;
THAT Delegated County Legislation Committee draws its primary mandate from the Statutory Instruments Act. 2013 and Standing Order No. 192 of the Kisumu County Assembly Standing Orders. The mandate is similar to those of the Committee on Delegated Legislation at the National Parliament. It is the role of the Members to ensure that whatever regulations and orders being made by the Executive, are examined by the Assembly through the Committee on Delegated Legislation for uniformity and clarity. In addition to that the Committee should hold the County Executive accountable for the subordinate laws it had made. In addition to the earlier mentioned mandates, the committee is also tasked with ensuring that delegated legislation is within the scope of the enabling legislation.

It achieves these mandates by receiving and reviewing delegated legislation, conducting public hearings to obtain views from the public and stakeholders on the legislation, and making recommendations to the County Assembly on whether to approve or reject the legislation. The

Committee plays a crucial role in promoting good governance and accountability at the county level.

Appreciating practices and procedures in the Committee;
THAT, there are several practices and procedures that are important to appreciate in order to ensure smooth and efficient functioning of the committee. Such practices and procedures include;

i. Understanding the committee's mandate: It is important for members of the committee to have a clear understanding of the committee's mandate and what it is responsible for. This will help ensure that the committee's work is focused and aligned with its objectives.
ii. Following proper procedures for meetings: The committee should follow established procedures for conducting meetings, such as having an agenda, keeping minutes, and adhering to rules of order.
iii. Encouraging participation: Members of the committee should be encouraged to participate in discussions and provide input. This can be facilitated through the use of open-ended questions, brainstorming sessions, or other techniques that promote engagement.
iv. Promoting transparency: The committee should strive to be transparent in its decision-making processes and ensure that relevant information is shared with all members of the committee.
v. Ensuring fairness: It is important for the committee to ensure that all members have an equal opportunity to participate and that decisions are made fairly and without bias.
vi. Maintaining confidentiality: The committee may be privy to sensitive information, and it is important to maintain confidentiality where necessary to protect the privacy of individuals or organizations.
vii. Reviewing and revising procedures: The committee should periodically review and revise its procedures to ensure that they are effective and efficient, and to address any issues or concerns that may arise.

What is a Statutory Instrument?

THAT, Standing Orders No. 192 (5) states that a statutory instrument refers to;

Any rule, order, regulation, direction, form, tariff of costs or fees, letter patent. Commission, warrant proclamation, by-law, resolution, guideline or other instrument issued, made or established in the execution of a power conferred by or under an Act of the County Assembly under which that statutory instrument or subsidiary legislation is expressly authorized to be issued.

Tabling of Regulations/Delegated Legislation;

THAT, whenever a statutory instrument is submitted to the County Assembly pursuant to the Constitution, any law or the Standing Orders, the statutory instrument shall, unless a contrary intention appears in the relevant legislation, be laid before the County Assembly by the Chair of

the relevant Sectoral Committee, or any other member and shall thereafter stand referred to the Committee on Delegated County Legislation.

Regulatory Impact Statement
THAT, this is a document that analyzes the potential effects of a proposed regulatory change on individuals, businesses, and other affected parties. The purpose of a RIS is to provide decision-makers with an objective analysis of the costs and benefits associated with a proposed regulation, to help inform their decision-making. It should also describe the consultation process that was undertaken with stakeholders, including industry groups, consumer organizations, and other interested parties.
A well-prepared Regulatory Impact Statement has the ability to;

i. Help to ensure that proposed regulations are effective, efficient, and minimize unintended consequences.
ii. Provide decision-makers with the information they need to make informed decisions about the regulation.
iii. Help to build public trust and confidence in the regulatory process.

Consideration of Subsidiary Legislation in the County Assembly
THAT, Standing Orders No. 116 provides that every Bill shall be accompanied by a memorandum containing:

i. a statement of the objects and reasons of the Bill,
ii. a statement of delegation of legislative powers and limitation of fundamental rights and freedom, if any, an indication whether it concerns county governments, and
iii. a statement of its financial implication and if the expenditure of public moneys will be involved should the Bill be enacted, an estimate, where possible, of such expenditure.

Provisions on delegated powers
THAT, Standing Orders No. 117 provides that, every Bill that confers on any State organ, State officer or person, the authority to make provision having the force of law in Kenya in terms of Article 94(6) of the Constitution shall contain a separate and distinct part of the Bill under the title "Provisions on Delegated Powers" in which shall be expressly specified-

i. the purpose and objectives for which that authority is conferred:
ii. the limits of the authority;
iii. the nature and scope of the law which may be made; and
iv. the principles and standards applicable to the law made under the authority.

Scrutiny by Committee of relevant considerations
THAT, while carrying out scrutiny of any statutory instrument or published Act, the Committee should be guided by the principles of good governance, rule of law and shall in particular consider whether the statutory instrument-

i. is in accord with the provisions of the Constitution, the Act pursuant to which it is made or other written law;
ii. infringes on fundamental rights and freedoms of the public;:

iii. contains a matter which in the opinion of the Committee should more properly be dealt, within an Act of Parliament:
iv. contains imposition of taxation:
v. directly or indirectly bars the jurisdiction of the Courts
vi. gives retrospective effect to any of the provisions in respect of which the Constitution or the Act does not expressly give any such power;
vii. involves expenditure from the Consolidated Fund or other public revenues;
viii. is defective in its drafting or for any reason the form or purport of the statutory instrument calls for any elucidation.

Reporting to the County Assembly
THAT, reporting to the County Assembly is an important part of a county government process. The purpose of reporting to the County Assembly is to promote transparency and accountability in county government operations.

County Government representatives, including the governor and heads of departments, are frequently required to update the County Assembly on their activities and the progress of various projects and programs. These reports may be given on a regular basis, such as monthly or quarterly, or when need arises. In addition to formal reports, County Assembly members may also request information or updates from the county officials during meetings or through other channels. The responding official should be prepared to respond to these requests in a timely and informative manner.

Reports to the County Assembly should;
i. Be clear, concise, and accurate
ii. Provide a detailed overview of the activities or projects being reported on
iii. Include challenges or issues that have arisen.
iv. Include recommendations for future actions or improvements.

Consideration of Committee Reports

A Committee's work is communicated through the reports it tables including half year reports. The half year progress report usually addresses the following issues:

- Regulations Committed to the Committee,
- Studies from foreign visits

i. The Committee findings and recommendations to the Assembly are critical when the Assembly adopts the Committee report.
ii. When Assembly adopts the report, the recommendation gets the force of a formal Assembly's resolution.
iii. Therefore the Assembly will have monitored County Executive compliance with these recommendations through the Select Committee on Implementation.

EMERGING ISSUES AND WAY FORWARD

Madam Speaker and Hon Members, after a successful rigorous induction of Members it emerged as follows;

1. THAT, the County Executive have not submitted a lot of regulations of the Acts that are already in existence and it is questionable how they said acts are operating. Below are

just a few of the Acts passed in the recent past whose regulations are yet to see light of the day;

a) The Kisumu County Climate Change Act, 2020
b) The Kisumu County Lakefront Development Act, 2021
c) The Kisumu County Enterprise Development Act, 2021
d) The Kisumu County Regularization of Land Development Act, 2021
e) The Kisumu County Environmental Health and Sanitation Act, 2021
f) The Kisumu County Community Health Services Act, 2021

2. THAT, the below mentioned are some of the challenges that hinder the committee's effectiveness;
    a) Quorum
    b) Cooperation of the Members
    c) Delays in presentation of regulations to the County Assembly.

3. THAT, much as the Committee appreciates the opportunity, it did realize that the days allocated was not adequate as there happened to be much to learn.

RECOMMENDATIONS

Madam Speaker and Hon Members, the Committee thus makes the following recommendations;

1. THAT, the County Assembly should facilitate frequent Committees' inductions/training opportunities as this will ensure that members are up to date on the latest legislative processes and procedures, and can enhance their productivity. This could be done at the beginning of every session to enable Committees evaluate their performance in the previous session.
2. THAT, the County secretary should compel the responsible CEC Members to submit the pending regulations to the assembly within thirty days upon adoption of this report.
3. THAT, the County Assembly should consider imposing consequences on the rampant failure to submit regulations for laws, which is contravention of legal requirement and obligations of the officers. This can include withholding funding for the responsible office(s) until regulations are submitted or exploring other disciplinary actions such as reporting them to the Senate, which the Committee was made to understand is an option.
4. THAT, this House should establish a monitoring mechanism to ensure that the County Executive submits regulations for all laws in a timely manner. The monitoring mechanism can include regular follow-up meetings with the County Executive and regular reporting on the status of regulations for each law.
5. THAT, all House Committees should work towards developing a good rapport and collaborating with the various departments of the County Executive with a space to address successes and challenges for the effective operations towards a common goal. This will in the end be beneficial to both parties and the County at large.

CONCLUSION

Madam Speaker and Hon Members, it is now my pleasure and privilege on behalf of the Committee to submit this report on the Committee's induction exercise held in Pride Inn Azure, Nairobi from 17th - 22nd November, before this honourable House for Adoption and I call upon Rev. Nyaoke to second this report.

Hon. Nyaoke (MCA, North Nyakach Ward): Thank you Madam Speaker. First, I want to start by thanking the Chairperson for the Select Committee of Delegated County Legislation Madam Mariam Abeid, the Vice Chairperson Honourable Vincent Obuya and the entire committee members for all this good report that is before us. There are some important items that I would like to draw to the attention of the House to note, particularly; the Committee Observations. It says that the County Executive has not submitted Regulations for effective implementations of the legislations enacted by the County Assembly. Madam Speaker, some of them are really important documents that by now should have been received. In particular, if you look at the Kisumu County Climate Change Act 2020, its regulations by now should have been prepared and ready for use.

Others are; the Kisumu County Lake Front Development Act 2021, the Kisumu County Enterprise Development Act 2021, The Kisumu County Regularization of Land Development Act 2021, the Kisumu County Environmental and Sanitation Act 2021, the Kisumu County Health Community Services Act 2021 and the Kisumu County Project Implementation and Management Act, 2022

Madam Speaker, as you realize that these are fundamental Acts that by now should be operational. I want to also thank the committee for having realized and identifying to take their time and took note of this and I believe and trust that most of these regulations will be dealt with accordingly.

Subsequently, when we go to the recommendations, I wish to pick the recommendation No. 2 and 3 that states that, the County Secretary should compel the County Executive Committee Members to submit the pending regulations to the County Assembly within 30 days upon adoption of this report. Madam Speaker it is my prayer that the committee will be able to follow up on this issues even if it means paying a courtesy call to the County Secretary to compel the County Executive Committee Members responsible for this Acts to be presented forthwith.

Madam Speaker. The other recommendation which is also very important is that, the County Assembly should consider imposing consequences on the rampant failure by the Executive to submit the regulations for enacted laws which is in contravention with the legal requirement and obligations of the officers. That is something that I would impress upon this House and the committee to make sure that it is attended to. Otherwise, I beg to support and second this motion. Thank you Madam Speaker.

We now know how we can handle ourselves during our deliberations in this House and in our committees. Madam Speaker I hereby wish to support and congratulate the members again. Thank you.

The Temporary Speaker (Hon. Ajwang, MCA, Kaloleni-Shaurimoyo Ward): Yes Hon. Obaso.

Hon. Obaso (Nominated Member): Thank you Madam Speaker. Judging by the mood of the House I wish to call the mover to reply.

The Temporary Speaker (Hon. Ajwang, MCA, Kaloleni-Shaurimoyo Ward): I can see that there are still some Members who want to debate upon the report.

The Temporary Speaker (Hon. Ajwang, MCA, Kaloleni-Shaurimoyo Ward): Hon. Ochele.

Hon. Ochele, MCA, East Kano Wawidhi: Thank you Madam Speaker. I couldn't have missed to contribute today having your maiden period to be the Speaker. Congratulations you look beautiful on the Chair.

Madam Speaker, I am a member of the committee and it is noticeable that the Executive is not doing enough to operationalize the laws that the Assembly has passed. We might be struggling to pass a number of Acts but without enabling legislations, these acts will just be lying on the shelves. This is because an Act cannot be active without an enabling law which are done by the Executive not by this House. We are waiting for the time when they will need us to help them make these legislations then, they will find us ready to offer them the guidance required.

Madam Speaker, this is a committee made of very able and capable hard working members headed by the Chair. Since we joined this Assembly, unlike in the past these legislations are not flowing and I want it to be noted and underlined that without such laws, those who will be suffering are our people who need services.

We want more so laws that goes intended with Agricultural Legislation should be availed in this House because there are a number of donors interested in funding a number of agricultural projects in this county. But if the Executive are just sleeping these laurels and it will reach a time when they will want one day start operationalizing these regulations at a speed that cannot be managed. So, it is my humble appeal to inform the Executive to wake up now and accord us the easy time to assist them works effectively. Thank you.

The Temporary Speaker (Hon. Ajwang, MCA, Kaloleni-Shaurimoyo Ward): Yes Hon. Dede.

Hon. Dede (MCA, North Kisumu Ward): Thank you Madam Speaker for according this opportunity to echo my sentiments on this matter concerning this report presented before this House by the Delegated legislation Committee. First, as a Member of this Committee, let me take this opportunity to applaud the Delegated Legislation Committee. Madam Speaker, we took time to at least be made aware and knowledgeable of the mandates of this House Committee.

Madam Speaker, first, if you look at page 19 of the report, under Rules and Procedures Governing the Committee. I was really impressed by the (r) part of it which indicates that, the Committees shall relish all privileges and powers accorded to all the Members. Madam Speaker, that part of the report has really given me the moral over some of the issues. Secondly, after House deliberations, Members are aware of the roles pertained in a House Committee. Lastly, under recommendations, the first one on page 23 of the report, it states that the Committee of the Assembly should facilitate frequent committees inductions. This comes to my attention that, since we were initially inducted, this should be a continuous process to enable Member be conversant with House procedures. Otherwise, I support. Thank you.

The Temporary Speaker (Hon. Ajwang, MCA, Kaloleni-Shaurimoyo Ward): Yes Deputy Leader of Majority.

The Deputy Leader of Majority (Hon. Lumumba, MCA, South East Nyakach Ward): Thank you Madam Speaker. As has been reiterated by Members on various regulations that have not been submitted to this House for implementations, they are not only these five that have been mentioned. We will make the effort to ensure that, even regulations that were not forwarded to this House, since the inception of devolution that is during the term of the First and Second Assembly, we will liaise with the line departments to ensure that they are brought to this Honourable House for immediate action. Thank you I support.

The Temporary Speaker (Hon. Ajwang, MCA, Kaloleni-Shaurimoyo Ward): Yes Hon. Eunice Alandoh.

Hon. Alandoh (Nominated Member): Thank you Madam Speaker. Having looked at the mood of the House, I want to call upon the mover to reply. Thank you.

The Temporary Speaker (Hon. Ajwang, MCA, Kaloleni-Shaurimoyo Ward): Honourable Members, the mover has been called upon to reply. Yes Hon. Mariam Abeid.

Hon. Abeid (Nominated Member): Thank you Madam Speaker. As the Chair of the Committee on Delegated Legislation, I just want to state that I will liaise with the line departments to enable this House navigate and push for the pending Regulations to be forwarded to our Committee. Consequently, I want to complement you because as a voter from Kaloleni I am very proud seeing you occupy that chair because you are my Member of the County Assembly. Similarly, I want to really congratulate both the Members of this Committee and the secretariat for a job well done as we commence the journey. I want to thank you Angie for the commendable job. I reply.

The Temporary Speaker (Hon. Ajwang, MCA, Kaloleni-Shaurimoyo Ward): Honourable Members, now that the report by the Delegated County Legislation on this Induction Exercise held in Pride Inn Azure, Nairobi County from 17th to 22nd November, 2022 has been presented by the Chair Hon. Mariam Abeid and seconded by Hon. Nyaoke and debated. As per the provisions of our Standing Orders, I now want to put a question?
