The Temporary Speaker (Hon. Oginga, Nominated Member): Yes Hon. Nyaoke, Member representing North Nyakach Ward.

Hon. Nyaoke (MCA, North Nyakach Ward): Thank you Madam Speaker. I have just received some concerns from my Ward and it is my belief that you are aware that the El-nino Rains are just at the corner and we are perturbed this is particularly in my area where we normally experience a lot of deluge. Madam Speaker, this is a request that I want to make through your chair that we have made numerous communications with the relevant departments in the County

Executive with regards to the same. Madam Speaker, I equally want to take this opportunity to request the relevant line departments...

(Hon. Dede rises on his feet on a Point of order)

The Temporary Speaker (Hon. Oginga, Nominated Member): Please proceed Hon. Dede.

Hon. Dede (MCA, North Kisumu Ward): Thank you Madam Speaker. I would like to bring to your attention that the Honourable Member has arose without citing the relevant Standing Orders and the statement being sought should be made procedurally that is through the Office of the Speaker before it is communicated in the floor of this House. This Statement should not even be brought while citing the provisions of Standing Orders No. 42. Thank you.

The Temporary Speaker (Hon. Oginga, Nominated Member): Hon. Nyaoke, please stand guided because the Statement that you are raising before this House is not a Personal Statement I guess, so, please follow the right procedures and bring the statement using the correct procedures.

Hon. Nyaoke (MCA, North Nyakach Ward): Madam Speaker, I want to state that this statement is personal in nature because I have just received direct communication from my constituents and it would be significant that as a matter of fact that please use the relevant means to try and have this issue addressed. Madam Speaker, already the communications have been done to the relevant line departments in the follow-up towards the support and mitigation measures that are required to ensure preventions that is supposed to be undertaken before these catastrophes strike.

Madam Speaker, this is the only House that I can put across such concerns. Thank you.

The Temporary Speaker (Hon. Oginga, Nominated Member): Thank you. Although if this matter is being acted on then we have to wait for the responses from the County Executive. So, I will just allow you to do it though, it is not a statement that is personal in nature because this is something that is affecting your electorates. Thank you. Otherwise, we move to the next statement if there is?

The Temporary Speaker (Hon. Oginga, Nominated Member): Next order!!
