Further, I want to report that we have not received any incidents as regards to the Members of the County Assembly and the staff. So, we want to thank the Almighty God for this far He has brought us. I want to take this opportunity to remind all the Chairs of respective House Committees that, before we proceeded for the short recess, I had raised concern over the pending reports by various House Committees. Remember that we are left with only one month so please submit those reports the Select Committee of Liaison for the purposes of taking them to the Select Committee House Business so that they can be scheduled as appropriate.

Honourable Members, we have a number of key activities that are coming up that if we don't submit these reports on time, I believe that you will not have time to blame the Select Committee

House Business for not scheduling your reports for consideration. Otherwise, I wish you well and I want to request for sobriety during our discussions throughout this entire session until we break again probably and God will in the second week of December, 2023. Thank you.
