The Temporary Speaker (Hon. Okumu, MCA, East Seme Ward): Next order!!

MOTION

HALF YEAR PROGRESS REPORTS OF COMMITTEES FOR THE PERIOD ENDED 31ST DECEMBER, 2023

BY

HON. NEREAH OKOMBO, MCA, MANYATTA "B" WARD

(THE DEPUTY SPEAKER)

The Temporary Speaker (Hon. Okumu, MCA, East Seme Ward): Hon. Deputy Speaker.

Hon. Okombo (MCA, Manyatta "B" Ward): Thank you Mr. Speaker and Honourable Members. Orders No. 183(1) compels each select Committee to submit half yearly progress reports to the Liaison Committee. Consequently, Orders No.183 (2) mandates the Committee on Liaison to, within twenty days, compile such reports and submit to the County Assembly.

The Committee, vide a memo referenced CAK/LC/2024 (1) (see attached) Communicated to all Committee Clerks to submit Half - yearly progress reports for each Committee for the period ended 31st December, 2023 before Monday 29th January, 2024 for consideration and subsequent adoption by the House, in accordance with Orders No. 183(1) of the Standing Orders.
This report therefore is a compilation of the reports as were submitted, analysis and presentation of the general performance of Committees' during the period ended 31st December, 2023 and finally presented in fulfillment of the requirement of Orders No. 183(1) & (2) of the County Assembly Standing Orders.

Objective
The main objective of this report, as stated here above, is to fulfill the requirements of Orders No. 183(2) that mandates the Committee to '*compile half-yearly reports submitted to it by all Committees and submit a report to the County Assembly'*.

Methodology
In coming up with this report, the Committee examined the reports as submitted by each House Committee (see appendix 3).

Findings
Hon Speaker, from the reports submitted by Committees, the Liaison Committee established that during the period under review (PUR);

1. Committees' performance
   Committee performance analysis, based on the number of sittings compared to output, raises concerns. Despite holding high number of meetings during the review period, the tangible results are lacking in some cases. It is clear that resources were allocated for these meetings without a corresponding tangible outcome (see table 1).

2. Committee workload
   A total of 21 papers were submitted to the County Assembly and assigned to eight different committees for review as detailed in tables 1 and 2.

3. Bills and Legislations
   Six bills were introduced to the Assembly, of which one was procedural (Finance Bill, 2023). Four of them were completed, while two remained in progress (see table 4).

4. Public Petitions
   Three petitions were received and referred to two committees; Trade, Tourism, Industry and Marketing, Water & Environment, and Labour & Social Welfare (see table 5). All petitions were pending at the end of the period under review.

5. Policies and Statements

Two policies were submitted for consideration. One was addressed by the Administration & Justice Committee, while the other was pending with the Education & Social Services Committee (see table 5).

Additionally, twelve statements were requested during this period. Four were resolved, one was rejected on jurisdictional ground. The remaining were pending before various committees (see table 7).

6. Committee Reports and Motions

During the period under review, committees submitted 32 reports. Twenty-three reports were debated and voted upon (see tables 8 and 9). The remaining seven reports are listed in table 11, with explanations for not being presented for discussion as listed in pages 31 and 32.

7. Member-driven motions

A review of the County Assembly activities for the period ending 31st December, 2023, revealed lack of motions from the initiative of Members. All motions presented, excluding those arising from committee reports, were procedural motions (for adjournment).

8. Pending business

As at the end of the period under review, forty-nine (49) matters remained pending before various committees (see table 12).

Challenges

In attempting to come up with, and present this report before this House for adoption, the following are the two major bottlenecks that could not allow the report to presented within the timeline stipulated in the Standing Orders.

1. Untimely submission of reports to Liaison Committee.

   The County Assembly's smooth operation relies heavily on timely reporting by Committees. In its report on budget allocation for the FY 2022/2023, adopted by this House at its sitting of Thursday 3rd November, 2022, the Liaison Committee clearly recommended that all Committees be submitting their reports every second week of the month following the reporting period. Unfortunately, consistent delays in report submissions have become a recurring issue. This not only undermines House resolutions but also disrupts the Assembly's overall efficiency.

2. Occasional occurrence of a quorum hitch during scheduled time for Committee meeting. Lack of sufficient members present to conduct business significantly delayed the approval process of this report.

Recommendations

Hon Speaker, all said, the Committee thus recommends;

1. THAT, to empower Members and enhance Assembly dynamism, the Leadership, in collaboration with the County Assembly Board, should establish a two-pronged approach, that is, training programs on motion development for Members and Committee Clerks, alongside a recognition system to acknowledge Members who actively submit Member-driven motions. This will equip Members with the skills to effectively contribute and incentivize their participation, leading to a more robust and engaged County Assembly.

2. THAT, to improve on efficiency and ensure valuable outcomes for the resources allocated, the County Assembly should implement different approaches, which could involve analyzing committee minutes to identify recurring topics and potential roadblocks and, conducting surveys with committee members to assess meeting effectiveness and resource needs.

3. THAT, to ensure timely reporting and a smooth legislative process, Committees should consistently submit their half-yearly reports by the second week of the month following the reporting period. This adherence will allow the Liaison Committee to compile and present its comprehensive report to the House within the established deadlines

4. THAT, to address backlog of pending businesses before Committees, the County Assembly leadership should, within 30 days of adoption of this report, develop and present before this House, a policy restricting committees with more than one pending activity from participating in any retreat. Under this policy, the Honorable Speaker would only approve retreats for committees with no outstanding business or with only a single matter pending. Exceptions to be made for retreats specifically dedicated to report writing on a committee's existing workload.

Hon Speaker, the Committee wishes to thank the offices of the Speaker and the Clerk of the Kisumu County Assembly for the support accorded to it towards fulfillment of its mandate.

It also recognizes and appreciates the commitment and valuable contribution that its Honourable Members exercised during the sittings to deliberate on various elements of this report, not forgetting its secretariats for their exemplary performance in providing the needed technical support.

It is now my pleasant duty and privilege, on behalf of the Liaison Committee to move,

THAT, this House approves a report of the Liaison Committee on its consideration of half-yearly progress reports of all Committees for the period ended 31st December, 2023. May I call upon my Deputy, Hon. Vincent Jagongo to second?

Hon. Jagongo (MCA, North West Kisumu Ward): Thank you Mr. Speaker. I arise to second the adoption of this report of the Select Committee of Liaison. Mr. Speaker, please allow me to highlight a few issues. Mr. Speaker, if you have a look at the number of reports that are pending and those that are long overdue, I want to say that the number is quite unbearable and I would like to urge fellow Chairpersons of various House Committees to work closely with their Committee Clerks so that we improve on timely submission of these reports.

Mr. Speaker, there are instances where queries were raised by Members of this House that require urgent responses and some have taken quite some time before they are responded to. Mr. Speaker, let us take for instance if you look at the issues that was raised on the Project Management Committees (PMCs) on how they are to be remunerated and others. Mr. Speaker, we are moving to another financial year and this question was sought even before we started implementing the PMC matters for this financial year. Mr. Speaker, this issue still remains unresolved. So, I would like to implore the Chairpersons of various House Committees to endevour and work closely with the Committee Clerks so that we get these reports on time for discussion in this House.

Mr. Speaker, I similarly want to state that, the recommendation provided that those House Committees with pending tasks should not be permitted to travel. It is my belief that, this is a well thought-out intervention as this will help disciple these errant House Committee Chairpersons and their Committee Clerks and help jolt them to provide this House with reports before they strive to plan for other activities within their respective House Committees. Otherwise, I arise to second this report. Thank you.

The Temporary Speaker (Hon. Okumu, MCA, East Seme Ward): Honourable Members, a report by the Select Committee of Liaison on their consideration of the Half-Year Progress Report of all respective House Committees for the period ended 31st December, 2023 has been moved as a Motion by the Honourable Chairperson, Hon. Nereah Okombo and seconded by the Vice-chairperson, Hon. Vincent Jagongo and I now propose to put a question that, we open this report for debate.

The Temporary Speaker (Hon. Okumu, MCA, East Seme Ward): Honourable Members, the silence implies that the report is self-explanatory that no Member want to debate and I am tempted to ask a Member to call upon the mover to reply.

The Temporary Speaker (Hon. Okumu, MCA, East Seme Ward): Yes Hon. Tom Nyaoke.

Hon. Nyaoke (MCA, North Nyakach Ward): Thank you Mr. Speaker. I believe that my senior is trying to pay some debt but nevertheless. Please let me take this opportunity to appreciate the Chairperson, Liaison Committee for the report that she has presented to us here this afternoon. Mr. Speaker, I believe that, it is high time that we bring things to sanity particularly the functions and the working, strategies of House Committees that we have in this House.

Mr. Speaker, there are certain issues that are brought in as suggestions depending with the outlines that they are brought in with the report which states that some punitive measures should to be taken against House Committees that are conducting their activities rather sluggishly or in a dawdling manner. Mr. Speaker, it is my belief that, these kinds of measures will ensure that these House Committees conduct their duties with diligence and at appropriate time and no time is squandered because we are all aware that time is money. So, it is very important that if this motion is adopted, it is my belief that sanity is going to be restored and we are going to learn further on ways appropriate of restructuring these House Committees that we do have in this August House. I beg to support. Thank you.

The Temporary Speaker (Hon. Okumu, MCA, East Seme Ward): Yes Hon. Oiko Pete.

Hon. Oiko (MCA, Kabonyo-Kanyagwal Ward): Thank you Mr. Speaker, this report is self-assessment on our work at the Assembly. What we have achieved and what we have not as a House and that is what this report is all about. Mr. Speaker, this report is pin-pointing for us that there are glaring gaps that we need to improve on as Members of this August House.

Mr. Speaker, on House Committee's Performance that is roman five, number one which is making reference to House Committee Sittings where tangible resources are lacking. This is a challenge to the committee Members, that they are not doing well and they need to pull up their socks. Mr. Speaker, this has been echoed here by the Hon. Whip, when he cautioned Members on just coming to the Assembly and not contributing, and at times causing lack of quorum. Members need to improve on this because it gives a bad impression of our role in the House.

Mr. Speaker, another matter is on page 6 of the report, on Pending Businesses. We are informed that 49 matters remain unresolved before various House Committees. These could be Statements raised, reports from the County Executive to be discussed, etc. If 49 matters have not been handled at the committee level for six months, this would reflect that these House Committees are not very effective. The work is not flowing smoothly Mr. Speaker. We need to asses ourselves as individuals and in general as Members of the Assembly, that when this kind of picture is portrayed as our work in the Assembly, how will our people assess us? Let us try to improve.

Mr. Speaker, on page seven (VII) (2), highlights Lack of Sufficient Members, which means lack of quorum. This seems to be a major impediment to the work to flow at the committee level and at the Plenary. The committee level attendance is good because Members earn allowance from the sittings and forms part of the slip, unlike the plenary where nothing is paid. So, Members may be reluctant. However, you know that at the plenary is where we exhaust what we had discussed at the committee sittings. So, we need to equally take the work at the plenary seriously, and with the urgency it deserves, and that is what will show that the Assembly is working. So, with those few remarks, Mr. Speaker, I hope that Members are going to take their time, and pull up their socks so that we are seen to be working. Also, that matters brought to this House are well executed. I so submit.

The Temporary Speaker (Hon. Okumu, MCA, East Seme Ward): Yes, Hon. Patrick Lumumba

Deputy Leader of Majority (Hon. Lumumba, MCA, South East Nyakach Ward): Thank you Mr. Speaker. I rise to support the report by the Liaison Chairperson. The report is well researched, with valid recommendations. Mr. Speaker, my contribution will be based on the Members' participation. I urge Members that they should take the work of this House and the Committees very seriously, so that we deliberate on issues that are sent to various committees and report back in good time.

Mr. Speaker, the Constitution of Kenya, 2010, gave a lot of work at the committee level and not the plenary and therefore it would be prudent enough for Members to actively participate in their various House Committees. I would also appeal to the Committee on Implementation to ensure that all that have been passed by the various House Committees are implemented and report given back. This will be encouraging to other Members to know that whatever has been deliberated upon is acted also. Mr. Speaker, I support the report, thank you.

The Temporary Speaker (Hon. Okumu MCA, East Seme Ward): Honourable Members, we are discussing report of the Liaison Committee on its consideration of the Half-Yearly Progress Reports for all House Committees for the period ended 31st December, 2023.

Hon. Ochola (Nominated Member): Thank you Mr. Speaker, according to the mood of the House, I call upon the mover to reply, thank you.

The Temporary Speaker (Hon. Okumu MCA, East Seme Ward): Thank you, Honourable Member.

The Temporary Speaker (Hon. Okumu MCA, East Seme Ward): Yes, the Honourable Nereah Okombo.

Hon. Okombo (MCA, Manyatta "B" Ward): Thank you Mr. Speaker and Honourable Members. First, I want to appreciate the fast adoption of this report. Mr. Speaker, what has been

deliberated in this report by the Members is the true picture of the status of reports before this House. Looking at the Adoption Schedule, we can confirm that all Members save for two who are away that did not sign the adoption schedule confirming that all the chairs on the floor did agree with the report and its recommendations. Mr. Speaker, I want to report to the House that the Liaison Committee looked at the report, all the challenges that are in this report had been discussed and all the loopholes herein will be sufficiently handled by the Committee Members. As the Chairperson, Liaison Committee, I want the Members to share honestly with other Members of this House Committee so that the challenges they may be facing in various House Committees that may inform the late submission of reports or that may inform the delayance or reports being overdue are not met in the subsequent reports.

Mr. Speaker, a case in point is two reports. These were Statements that were sought on the eighth and ninth of November, 2022 and were directed to the Water, Environment, Natural Resources and Climate Change Committee. One was by Hon. Kennedy Ooko, the Leader of Majority regarding the Management of Water and General Cleanliness in Ahero and the other one was by Hon. Lumumba Owade in regards to the Cleanliness and Unhygienic Conditions in Sondu and Nyabondo Market in South East Nyakach. These Statements were sought on 08th and 09th November, 2022 respectively. A fourteen days period was given to respond and a report given but, since then Honourable Members, we are still waiting for the reports to be submitted and that is why they qualify for long overdue reports.

Mr. Speaker, I want to remind us that the Liaison Committee has three main mandates in regards to Committee Performances that; as a committee, we guide the Coordination, we guide Coordinate the Operations and Policies of all respective House Committees. We also Apportion Budgetary Operation Allocations. That is, operating budgets among House Committees as well as considering the Members need to travel to be away from the precincts of the Assembly maybe when they need to prepare their reports. So, Chairs of different House Committees should not shy away from approaching the Liaison Committee in situations of lack of or inadequate resources to execute their committee mandates.

Honourable Members, once again I convey my gratitude to you for adopting this report and the recommendations therein. With so many remarks, Hon. Speaker and Hon. Members I reply.

The Temporary Speaker (Hon. Okumu, MCA, East Seme Ward): Thank you Honourable Members. The Select Committee of Liaison has moved a motion on their report considering Half-Yearly Progress Report for all House Committees for the period ended 31st December, 2023. A motion that was moved by the Hon. Chairperson Hon. Nereah Okombo and seconded by the Vice Chairperson Hon. Vincent Jagongo, debated by the Hon. Members. I now propose to put a question for adoption.

(Question put and agreed to)

The Temporary Speaker (Hon. Okumu, MCA, East Seme Ward): Honourable Members, the report by Liaison Committee on its consideration on the Half-Yearly Progress Report for all House Committees for the period ended 31st December 2023 has been adopted today Wednesday 20th March 23, 2024 at 15:38 hours. Honourable Members, I direct that this report be published in the website for consumption of the public. Thank you Hon. Members.

The Temporary Speaker (Hon. Okumu, MCA, East Seme Ward): Next Order!!

MOTION

ADJOURNMENT OF THE COUNTY ASSEMBLY UNTIL TUESDAY 02nd APRIL 2024 AT 02:30 P.M.

BY

HON. KEN OOKO, MCA, AHERO WARD

(LEADER OF MAJORITY)

The Temporary Speaker (Hon. Okumu, MCA, East Seme Ward): Yes Leader of majority.

Leader of Majority (Hon. Ooko, MCA, Ahero Ward): Thank you very much Mr. Speaker, I stand to move a motion on the Adjournment of the County Assembly until Tuesday 02nd April 2024 at 2: 30 p.m.

Aware that, Standing Orders 221(3) mandate that upon being laid before the County Assembly, the Kisumu County physical strategic paper (CFSP) shall be deemed to have been submitted to each sectorial committee to deliberate upon.

Further aware that, the County Assembly has schedule meetings between the sectorial committee and relevant line for such deliberations on Thursday 21st March and Tuesday 02nd April 2024, including the hours, which, pursuant to the Standing Orders no. 28(1) are envisioned as hours of meetings of the county Assembly.

Recognizing that, in its attempt to enhance the effectiveness of its Hon. Members, the County Assembly has planned for an induction program from 25th to 29th March 2024, an exercise which will benefit the Assembly Members by equipping them with the knowledge and skills requisite to their roles to meaningfully contribute to the Assemblies work. Thus strengthening the Assembly as a whole.

Further recognizing that, the optimal participation of both the CFSP review and the induction exercise, adjourning the County Assembly seating's for the affected days, is necessary to give Members opportunity to fully dedicate themselves to this, which are crucial for the development of this great County of Kisumu.
Now therefore, this County Assembly prays that this House do now adjourn it sittings until 2:30 pm on Tuesday 02nd April 2024 at 02:30 p.m. and I want to ask Hon. Owade to second. Thank you.

The Temporary Speaker (Hon. Okumu, MCA, East Seme Ward): Yes Hon. Owade.

Deputy Leader of Majority (Hon. Lumumba, MCA, South East Nyakach Ward): Thank you Hon. Speaker. I would like you to remind my senior the Leader of Majority that, there is no ward called Sondu. It is part of my ward South East Nyakach. Mr. Speaker, allow me to…. Mr. Speaker, please protect me because I am being harassed by the Deputy Speaker because she is not on the Chair.

The Temporary Speaker (Hon. Okumu, MCA, East Seme Ward): Please proceed Honourable Member.

Deputy Leader of Majority (Hon. Lumumba, MCA, South East Nyakach Ward): Thank you Mr. Speaker. I arise to second the motion on Adjournment of the Assembly until Tuesday, 02nd April, 2024. The adjournment is timely and I therefore urge Members of this House to make use the one week that they are being called upon for an Induction Training in Nairobi to make good use of it and come out with something that will enable us improve on our performance in this House.

Mr. Speaker, we also have a Public Participation exercises scheduled to be conducted on Friday, 22nd March, 2024 and Monday, 25th and Tuesday, 26th March, 2024. This will give our Members an opportunity to mobilize members of their various wards to turn up in good number and participate. I also ask the Members that after the induction, we will be going for our Easter holiday. Please make good use of the prayerful week and we wish them a happy Easter full of blessings and above all, let us use it to forgive our wrong doers so that by the time we come back, we resume back as a clean House. Thank you Mr. Speaker I support and second.

The Temporary Speaker (Hon. Okumu, MCA, East Seme Ward): Thank you Honourable Members, a motion of Adjournment of the County Assembly until Tuesday, 02nd April, 2024 has been moved and seconded; I therefore want to propose that the motion is opened for debate.

The Temporary Speaker (Hon. Okumu, MCA, East Seme Ward): Yes Hon. Okombo.

Hon. Okombo (MCA, Manyatta "B" Ward): Thank you Hon. Speaker. I rise to support the Adjournment of the House until Tuesday 02nd April, 2024. The motion seeks to address two major concerns that we purposely adjourn. This is to address issues of Public Participation on the Kisumu County Fiscal Strategy Paper FY 2024/2025 and also undergo training of Members by Center for Parliamentary Studies and Training (CPST). As was stated earlier on the floor of the House, we know we are having engagements with various Sectoral Committees with our relevant line departments on the Kisumu County Fiscal Strategy Paper. And that the public participation of the Kisumu County Fiscal Strategy Paper which is to be carried out at the ward level and slated for 22nd March, 2024 in two sub-counties which is Seme and west Kisumu Sub-counties

Mr. Speaker, it is virtuous to remind us that that the Kisumu County Fiscal Strategy Paper seeks to review on the performance of the year and also project on the next financial year. Taking part in this major activity will advise proper prioritization by the public on what they want done for their respective wards.

Mr. Speaker, I have just mentioned in the report of the Liaison Committee that looking at the report we found out that it was reviewed that the House lacked Members' driven motions and this training by Center for Parliamentary Studies and Training will provide proper insight that will enable Members to come up with Member driven motion for a robust House deliberations and on issues that affect service delivery directly to the people of Kisumu County. Thank you.

The Temporary Speaker (Hon. Okumu, MCA, East Seme Ward): Yes Hon. Ajumbo.

Hon. Biko (MCA, Central Seme Ward): Thank you Mr. Speaker, I wish to call the mover to reply.

The Temporary Speaker (Hon. Okumu, MCA, East Seme Ward): Thank you Hon. Member. Yes Leader of Majority.

Leader of Majority (Hon. Ooko, MCA, Ahero Ward): Honourable Speaker, I want to express my appreciations the Honourable Members for supporting this motion. It is my believe that the matters we have at hand are very important especially the Public Participation on the Kisumu County Fiscal Strategy Paper (KCFSP) that sets priority and policy goals to guide the County Government in preparing documents for the subsequent financial year which is a matter that is very important to the Honourable Members to attend to.

Secondly, the training as was mentioned by the Deputy Speaker that it is very important that is the Center for Parliamentary Studies and Training (CPST) which will enable Members to acquire skills so that they can carry out their legislative duties effectively in this House. Since this

motion has been fully supported by the Hon. Members, I don't need to talk much about it. I beg to move. Thank you.

The Temporary Speaker (Hon. Okumu, MCA, East Seme Ward): Honourable Members a Motion for Adjournment of the Assembly until Tuesday, 02nd April, 2024 was moved by the Leader of Majority seconded by the Deputy Leader of Majority and debated upon and the motion was that we adjourn this County Assembly until Tuesday, 02nd April, 2024 at 2.30 p.m.

ADJOURNMENT

The Temporary Speaker (Hon. Okumu, MCA, East Seme Ward): Honourable Members, therefore this House now stands adjourned until Tuesday, 02nd April, 2024 at 02.30 p.m.

(House rose at 03.56 p.m.)
