ADJOURNMENT

The Speaker (Hon. Oraro): Honourable Members I want to take this opportunity to welcome you back to the Assembly and I want to confirm that we have been lucky we have not received any report that could be a worry as regards to the operation of the Third Assembly. Similarly, I want to remind you that this is sitting number 211 in the Kisumu County Assembly the Third Assembly and Sitting Number 67 in the Third Session.

So the reason why I'm referring you to this number of sittings is that you have to reflect and check that out of the 211 sittings, what have you achieved? I'm happy that the progress report has been prepared and shall be discussed but going forward again you understand what has transpired in the County. So Kisumu County may not be left behind so we have to reflect amongst ourselves on how we shall operate but I want to request for maximum cooperation from the Members in line with what we are mandated to do that is oversight, representation and

legislation. As you are aware by the time we were closing there are a number of House Committees that had pending works and we agreed that those works should be submitted in the first week of opening from the long recess. So I want to direct this to the Chairperson, Select Committee of Liaison please strive and rally various House Committee that had not submitted their report to do so before end of this week for purposes of sharing and therefore debate and actions. Also as per our last discussion there are a number of statutes that were supposed to be developed. Please let's liaise with one another to develop those statutes.

Honourable Members, there being no any other business to transact, the House stands adjourned to Wednesday, 07th August, 2024 at 09.00 a.m. Thank you.

(House rose at 03.48 p.m.)
