BY

HON. KEN OOKO, MCA, AHERO

(LEADER OF MAJORITY)

The Speaker (Hon Oraro): Yes, Leader of Majority

The Leader of Majority (Hon Ooko, MCA, Ahero): Thank you Honourable Speaker. It is time to move a Motion for the approval of Members to serve in the County Assembly House Business Committee for the Fourth Session. Aware that Orders 154 (1) (e) of the County Assembly Standing Orders provides for the establishment of a House Business Committee at the commencement of every session. Further aware that the Third session of the Third Assembly was gazetted to end on Monday, 10 February 2025.

Consequently, the House Business Committee which was approved to serve the County Assembly therefore has run its tenure. Acknowledging the essential mandates of this House Committee including;

a) Preparation of the County Assembly calendar,
b) Managing of pending matters and
c) Scheduling or programming the business of the County Assembly.

Further acknowledging that the Fourth Session of the Third Assembly commenced forthwith on Tuesday, 11 February 2025, necessitating the constitution of the House Business Committee in accordance with the provisions of the Standing Orders to allow the County Assembly to transact its businesses.

Now, therefore, this Assembly prays that pursuant to Standing Orders No. 154 (1) (e), this House approves the following Members nominated by the party to serve in the House Business Committee for the Fourth session, in addition to the Speaker of the County Assembly who, pursuant to Standing Orders No. 154 (1) (a) shall be the Chairperson of the Liaison Committee, the Leader of the Majority and the Majority Whip.

Others include the Deputy Majority Leader Honourable Lumumba Owade, Deputy Majority Whip Honourable Jennifer Obonyo, Honourable Seth Okumu, Honourable Carren Ajwang', and Honourable Eunice Alando. Mr. Speaker, I would like to ask Honourable Moses Ochele to second. Thank you.

The Speaker (Hon Oraro): Honourable Moses Ochele

Hon Ochele (East Kano Wawidhi): Thank you, Mr. Speaker. May I take this chance to second the list as read by the Leader of the Majority. Thank you.

The Speaker (Hon Oraro): Honourable Members, now that the Leader of the Majority has presented a Motion of approval of Members to serve in the County Assembly House Business Committee for the Fourth Session, seconded by the Honourable Moses Ochele, I propose that the Motion is open for debate.

The Speaker (Hon Oraro): Honourable Gard Olima.

Hon Olima (South West Nyakach): Thank you, Mr. Speaker. I rise to support the Motion by the Leader of Majority on the composition of the House Business Committee. Mr. Speaker, as we support the composition of the Members of this House Committee, I would like to request the nominated Members to take into consideration the business of the House.

First, that there are some issues that take a long time to ventilate upon to this House, and therefore, in their meetings or priorities in the Business of the House, we request that they look into those issues that derail the County and give priority to those pressing issues that Members raise in this House, mostly like statements and requests for statements from the Executive, to be slotted in for our business.

Mr. Speaker, again, on the calendar of committee sittings, you find that at times some House Committees get more time and slots in the business schedule that we have, while other do not get. I request that they look at these House Committees equally and give priority. For example, Mr. Speaker, like the House Committee that I chair, that is, Procedure and Rules only gets a slot once a week, while we have a lot of issues to discuss. Therefore, I request that this House Committee look into that as they plan for the activities of the week. They should take into consideration all the House Committees so that these House Committees become active and deliberate on issues that they have for the benefit of this County and for the benefit of the Assembly. Thank you, and I support.

Chief Whip (Hon Obonyo, MCA, South West Kisumu): Thank you, Mr. Speaker. Going by the mood of the House, may I call the Mover to reply?

The Leader of Majority (Hon. Ooko, MCA, Ahero): Thank you very much, Hon Speaker. I take this opportunity to thank Honourable Gard Olima for his contribution, that the Members that have been nominated to the Select Committee on House Business to take their business seriously, as the Assembly has a long list of pending issues to discuss in this House. Two, for these House Committees to be prioritized by the House of Business, I want to inform all the Chairpersons and their Clerks that they make arrangements and present their issues to the House Business Committee in time for slotting. Otherwise, Hon Speaker, I do reply. Thank you.

The Speaker (Hon Oraro): Honourable Members, now that the Motion on approval of Members to serve in the County Assembly House Business Committee for the Fourth session has been moved, seconded, debated, I now want to put a question.

(Question put and agreed to)

The Speaker (Hon Oraro): Honourable Members, this approval has been done today, the 18th of February, 2025, at 1457 hours. So, I direct the House Business Committee to move with speed to plan for the coming sessions of the week. Remember, we are already behind schedule in terms of the activities that we are supposed to do. The House Business Committee will move with speed and constitute the House Business Calendar and the House Business Schedule for the coming week.

The Speaker (Hon Oraro): Next order!!

Mr. Speaker, this gentleman and two ladies have been committed to discharge their duties and have done a tremendous job. With this team, you are safe and we are equally safe as a House. I want to urge them to continue with the spirit that has been put there before, and we are behind them. Mr. Speaker, I need your protection, Mr. Speaker. Honourable Emily really wants me to praise her a lot, but I know she is a workaholic, the same as Honourable Seth and Honourable Carren here, Mr. Speaker. They are competent, and we have a good team in Speaker's Panel. Mr. Speaker, I do not have much, but next time, let Honorable Emily know that all Members are the same. They work at the same level with Honorable Seth Okumu and Honorable Carren. Mr. Speaker, this is because she wants me to say she is the best. We know, Hon Emily is always the best.

(*Laughter*)

So, thank you, Mr. Speaker, and I support.

MOTION

ADJOURNMENT OF THE COUNTY ASSEMBLY SITTINGS UNTIL TUESDAY, 25TH FEBRUARY, 2025 AT 2.30PM TO FACILITATE ATTENDANCE AT THE COUNTY ASSEMBLY'S FORUM ON 19TH AND 20TH FEBRUARY, 2025

BY THE HONOURABLE LEADER OF MAJORITY.

The Speaker (Hon. Oraro): Honourable Leader of Majority.

The Leader of Majority (Hon. Ooko Kennedy, MCA, Ahero): Thank you, Honourable Speaker. Honourable Speaker, please allow me to move a Motion of Adjournment.

Noting that, the County Assembly's forum CAF has convened a Special General Assembly meeting for all members of County Assembly's Nairobi from 19th to 21st February, 2025, and that Honourable Members have been invited to attend.

Further, noting that, given the financial constraints stemming from recent laws passed by the Senate, which have impacted the welfare of legislators and the production efficiency of County Assemblies, this meeting provides a critical platform for MCAs to collectively deliberate on strategies to advocate for financial autonomy and adequate funding for legislative functions.

Additionally, the forum will enhance policy accommodation, policy coordination, strengthen intergovernmental relations, and ensure MCAs are well equipped to perform their oversight, legislative, and representative roles effectively. It also serves as an avenue for capacity building, experience sharing, and discussing emerging governance issues that directly affect counties.

By attending, MCAs can influence key policy decisions, push for resolutions addressing financial constraints, and engage in meaningful dialogue with stakeholders, ultimately ensuring that County Assemblies remain effective in executing their mandates.

Now, therefore, this Assembly urges Members to adjourn the House until Tuesday, 25th February, 2025, at 2.30 p.m. to facilitate attendance at the Special General Meeting convened by the County Assemblies Forum, and pursuant to Orders No. 26(3), after so many years of devolution, the weaknesses that they have witnessed, the strengths, and how we can make the work of an MCA all over Kenya be more productive in service delivery to the people of Kenya. I therefore ask Honourable Seth Okumu to second.

The Speaker (Hon. Oraro): Honourable Seth Okumu.

Hon. Okumu (MCA, East Seme): Honourable Speaker, as we adjourn the House, I urge all members to ensure their presence at the upcoming meeting, as many important issues will be discussed.

We are all aware that the Chairperson of CAF recently resigned, and Honourable Olima has expressed significant reservations regarding this position. I believe that meeting will provide the right platform for the member to raise his concerns, ensuring they are considered when selecting a new Chair. With that, thank you, Honourable Speaker. I second.

The Speaker (Hon. Oraro): Honourable Members, now that the Leader of the Majority has moved a motion of adjournment, seconded by Honourable Seth Okumu, I want to propose a question. And I propose that the motion of adjournment of the County Assemblies Sittings until Tuesday, February 2025, at 02.30 p.m. to facilitate attendance of the County Assemblies Forum on 19th and 20th February, 2025, is open for debate. And as we debate, Honourable Members, I want to refer you to the provisions of Standing Order No. 26(3), that motion shall only be debated for not more than three hours, after which no questions shall be put. So the motion is open for debate.

The Speaker (Hon. Oraro): Honourable Oiko Pete.

Hon. Oiko (MCA, Kabonyo Kanyagwal): Honourable Speaker, CAF has called for a meeting of all Members of the County Assembly, primarily due to the recent reduction in allocations to County Assemblies. The Executive believes it has also been affected similarly, yet our primary focus remains on our oversight role. It appears there is an effort by the Senate to secure more funds for their own oversight, but we must critically examine this situation.

Mr. Speaker, when comparing the oversight responsibilities of the Senate and the County Assembly, it is evident that the County Assembly is the body best positioned to oversight the County Executive. We have the authority to scrutinize decisions and, where necessary, reject certain actions of the Executive. It is our mandate to make well-informed, far-reaching decisions that directly impact governance at the county level.

This issue fundamentally revolves around the financial resources allocated to the Assembly. When discussing our role in the Executive's budget, we often only become aware of committee allocations when drafting reports. However, in practice, when carrying out our oversight duties, we need clarity on what funds are available to support this critical function. Members must be fully informed about the proper allocation of oversight funds to ensure they can effectively fulfill their responsibilities.

Currently, we are being unfairly criticized for not executing our oversight role effectively, yet financial resources are being reduced. At the same time, the Senate is demanding more funds to take over oversight responsibilities at the national level. We must urgently review the budget and establish what allocation is necessary to enable members to perform their oversight duties properly.

If this issue is taken lightly or left unaddressed, the authority and relevance of the County Assembly's role will be significantly weakened. As we prepare for the upcoming meeting, we must be clear on our position regarding the concerns raised by the Majority Leader, which had not been previously communicated to members. I strongly urge that this information be officially shared with all members to ensure they are well-prepared for discussions in Nairobi.

Otherwise, we risk arriving at the meeting uninformed and ineffective. Let us go well-prepared. Thank you, Mr. Speaker.

The Speaker (Hon. Oraro): Honourable Olima.

The Speaker (Hon. Oraro): Thank you Honourable Speaker, I also rise to support the adjournment of the session to enable members of this House attend the meeting of the General Assembly. I believe this upcoming meeting will primarily focus on the welfare of members, ensuring they are both effective and efficient in carrying out their responsibilities. As an Assembly, we recognize that certain issues differ significantly from previous terms. As my

honourable colleague, Senior Benny Pete, has highlighted, we must take charge of how we leverage oversight and committee resources. It is our responsibility as the County Assembly of Kisumu to properly allocate our budget to support our work.

However, I believe this meeting should address common challenges affecting all County Assemblies across the country. One key issue is the lack of Plenary Sitting Allowances for the Third Assembly. When the Salaries and Remuneration Commission made this decision, it was intended to apply to County Assemblies, the Senate, and the National Assembly. Yet, to this day, both the Senate and the National Assembly continue to enjoy plenary sitting allowances, while County Assemblies do not. This is an issue that needs urgent attention.

Furthermore, with the large number of MCAs in the country, it is unlikely that every individual will get an opportunity to voice their concerns during the meeting. Therefore, I propose that Kisumu County Assembly should consolidate its key issues into a single, well-structured communication to be presented by a designated member of the leadership. Among the pressing issues that should be addressed are pension concerns, which have been raised repeatedly, and the matter of plenary sitting allowances.

Mr. Speaker, as we prepare for this meeting, I urge all members to attend, as the decisions made could have far-reaching implications for everyone. The discussions will directly impact us, and it is crucial that we receive first-hand information. Additionally, this meeting presents an opportunity to engage with our peers, learn from their challenges, and share best practices that could strengthen all County Assemblies collectively.

Finally, regarding the oversight role of county assemblies, as my senior colleague has mentioned, the Senate cannot justify reallocating county funds to conduct oversight. If anything, our objective at this meeting should be to push for increased allocations to County Assemblies, enabling us to execute our oversight mandate more effectively.

Mr. Speaker and honourable members, I am aware that from the public standpoint, some people don't see the much we are doing because this is a process, not an event, that when we sit here in this House, then tomorrow things have to change. In time, I am confident that the public will come to recognize and appreciate that our work is ultimately for their benefit. However, we are fully aware that limited resources have posed a significant challenge. Therefore, during this Special General Assembly, I urge all Members and Assemblies to advocate for increased funding to County Assemblies. This will empower us to carry out our responsibilities more effectively, efficiently, and to the highest standard, ensuring we deliver quality services to the residents we serve. Thank you, and I wholeheartedly support this initiative.

The Speaker (Hon. Oraro): Honourable James Were.

Hon. Were (MCA, Nyalenda "B"): Thank you, Speaker. I wish to call the mover to reply.

The Speaker (Hon. Oraro): Honourable Leader of the Majority.

The Leader of Majority (Hon. Ooko Kennedy, MCA, Ahero): Thank you, Mr. Speaker, Sir. I would like to express my gratitude to the members for their contributions and for the adjournment of the House until next Tuesday.

First, I want to inform the members attending the upcoming meeting that it will be held at KICC, Amphitheatre Hall, from 9:00 a.m. to 1:00 p.m. I urge all those planning to attend to arrive before 9:00 a.m. to allow time for housekeeping matters. Late arrivals may find the venue fully occupied.

Honourable Speaker, I also emphasize that this is a crucial meeting for all members, as attendance will be recorded. It is important that every MCA in Kenya is accounted for. So I urge all attendees to ensure their presence is duly noted. Rest assured, facilitation will be provided later.

Additionally, Mr. Speaker, tomorrow's meeting holds great significance for members of the County Assemblies in Kenya. We will be addressing critical issues affecting our oversight, legislative, and representation roles. We are all aware that our budget has been reduced, and we will begin to feel its impact in this session. As a result, certain adjustments will be necessary, and we must advocate for our rightful space—nothing will be handed to us on a silver platter.

Honourable Speaker, I encourage all members to attend and actively participate. While Kisumu has two representatives, this is not a special general meeting limited to a select few. I urge members, including my friend Honourable Benny Pete, to be present before 9:00 a.m. and take the opportunity to share their views. Your contributions will be invaluable to our collective efforts. Otherwise, Honourable Speaker, thank you very much. I reply.

The Speaker (Hon. Oraro): Honourable Members, the Leader of the Majority has moved a motion for the adjournment of County Assembly sittings until Tuesday, February 25, 2025, at 02:30 p.m. to allow members to attend the County Assembly Forum on February 19th and 20th, 2025. However, it is important to note that the forum on February 19th will focus on Assembly matters, while February 20 will be dedicated to the Court Ruling.

As you are aware, the County Assemblies Forum (CAF) took the Senate to court, along with the Commission on Revenue Allocation (CRA) and other relevant bodies responsible for the County Allocation of Revenue Act (CARA). The ruling on this matter will take place on February 20th in Kiambu County. Those available are encouraged to attend.

Allow me to refer to Standing Order No. 26, Part Three, which states:

"On a day when the Council of Assembly is scheduled to adjourn to a date other than the next formal sitting day, in accordance with the Council of Assembly's calendar, the Leader of the Minority Party or another member of the Council of Assembly Business Committee shall move a motion of adjournment, which shall be debated for not more than three hours, after which the Council of Assembly shall adjourn without question put."

This process has been duly followed.

Before we adjourn, I wish to remind the House Business Committee that it will convene on Monday, February 24, at 11:00 a.m. to prepare the calendar and agenda for the upcoming week.

Lastly, I extend my best wishes to those traveling to Nairobi for the General Assembly meeting at Kenyatta International Convention Centre (KICC), as highlighted by the Leader of the Minority. The session will take place from 9 a.m. to 1 p.m. tomorrow.

ADJOURNMENT

The Speaker (Hon. Oraro): Honourable members, the House stands adjourned until Tuesday, the 25th February, 2025 at 02.30 p.m.

(House rose at 03.35 p.m.)
