COMMUNICATION FROM THE CHAIR

CONSULTATIVE MEETING WITH THE RED CROSS SOCIETY OF KENYA

The Speaker (Hon. Oraro): Honourable members, I have got one communication to make. I did receive a letter from Red Cross Kisumu Branch. They have requested for a consultative meeting between the Members of County Assembly and a team from their office. The consultative

meeting is scheduled to take place tomorrow, Thursday, from 09:00 a.m. in Committee Room One. The main agenda shall be a consultative meeting in line with the Emergency Response and Disaster Preparedness. You are aware that the rains are on. We also had incidences of fire and accidents.

So, the Red Cross Society of Kenya has a plan that they need to share with the members of County Assembly. At the same time, there shall be consideration between the members of County Assembly and Red Cross Society of Kenya on how to collaborate and possibly even the gaps in terms of legislation that the county can come up with to ensure effective management or response to emergencies and management of disasters. I am also privileged that tomorrow I will be issued with a Life Membership Certificate as a life member of Red Cross Society.

All other members who are also not members of Red Cross Society of Kenya are likewise encouraged to be part of that movement that is to subscribe and to be a life member of Red Cross. So, tomorrow will be an opportunity for you to understand the benefits and gains of being a life member of Red Cross. I am privileged to have worked with Red Cross before in the year around 2012.

I was a life member but unfortunately I think at some point I failed to subscribe effectively. That's why I have renewed my membership and tomorrow will be issued with a life member certificate.

Honourable members, apart from that, you are aware that the Leader of the Majority lost his mother. The body will be removed from the morgue tomorrow evening. The burial shall be on the Friday, the 22nd of August 2022 in the rural home in Kakola, Ahero Ward. The welfare Chairperson has reminded me to remind members that there is a way that we normally stand with our colleagues in such a movement.

For those who have not responded, please respond so that whatever we have can help the Leader of the Majority to take care of his visitors and to give his mother a befitting send-off. Otherwise you are welcome to this session. Thank you

The Speaker (Hon. Oraro): Next order!!
