MOTION

CONTINUATION OF DEBATE

THE TRIBUTES OF THE COUNTY ASSEMBLY BE RECORDED IN HONOUR OF THE LATE FORMER PRIME MINISTER OF THE REPUBLIC OF KENYA, RAILA AMOLO ODINGA, EGH, CGH

BY

HON. KENNEDY OOKO, MCA, AHERO

[LEADER OF MAJORITY]

The Temporary Speaker (Hon. Okumu, MCA, East Seme): Honourable Members, we are continuing with the debate on the Motion on the Tributes of the County Assembly to the Rt. Honourable Raila Amolo Odinga, E.G.H, C.G.H, a Motion that was moved, seconded, and the debated started yesterday. The same Motion continued this morning. Right now, we are finalizing the debate this afternoon. Therefore, all Members who have not contributed have only this session to contribute, after which we shall close debate on the Motion. So far, a total of 26 Members have contributed. Therefore, I want to declare that we open the Motion for debate. Yes, the Hon Henry Obaso.

Hon. Obaso (Nominated Member): Thank you, Mr. Speaker. I rise to pay tribute to a great son of the soil, whom we know as the Father of democracy, the Father of devolution, and the Father of this nation. Mr. Speaker, I rise to pay tribute to a man who I have known my entire life. I was born in early 90s, during multiparty, and through those stages until now, the only politician that I have grown to know, admired and followed closely is the Rt. Hon Raila Amolo Odinga, E.G.H, C.G.H.

Mr. Speaker, it is a big loss, not only to our community, but also to the entire Kenya. Not only to entire Kenya, but to the entire world. We have lost an icon who we admire very much, and we pray that God grant him entry into heaven. Mr. Speaker, generations will remember Raila

Amollo Odinga, not merely as a politician, but as a reformist and a visionary leader whose entire life was based fighting for justice and equity in Kenya. Mr. Speaker, through the life of Rt. Hon Raila Amolo Odinga, E.G.H, C.G.H, we have seen how passionate he was on uniting Kenya a one united country devoid of divisive politics. This was evident on numerous occasions when he unfairly elections.

He would come and negotiate and not spread divisive kind of politics that would break Kenya, and through that, Kenya has remained peaceful. Those are some of the things that we celebrate today; the sacrifices and the struggle to make Kenya great again.

Mr. Speaker, the Rt. Honourable Raila Amolo Odinga, E.G.H, C.G.H endured everything. He endured betrayals, abuses and unfair judgments by those who were close to him. However, in all these, he never stopped fighting for a better Kenya. Therefore, we celebrate a man who championed for a better Kenya. As a legislator, I am today in the County Assembly representing a certain group of people because of the sacrifices he made, and because of that, young people like me can have voice in the leadership of this country.

Mr. Speaker, I want to reiterate that Kenya has lost a great son of the soil. We pray only to God to guide Kenya to be a great country. I appreciate this opportunity to pay my tribute to an icon. Thank you, Mr. Speaker.

The Temporary Speaker (Hon. Okumu, MCA, East Seme): Yes, Honourable Omuya.

Hon Omuya (MCA, North Seme): Thank you, Mr. Speaker. I also rise to pay tribute to our lost hero. I can remember when I met Raila first in my life. I was still very young. In fact, I was in my early 30s. I can remember there was this politician called Paddy Aenda. We were going to campaign for him. By then it was Kisumu Rural constituency. The current Governor took us to a rally and some food was made at Ker Raga Ogalo's home, where we took our lunch. We found Hon Raila in that home.

He was seated somewhere and everyone else was going to greet him. As he was being greeted, he was standing. I was just excited. I greeted Raila and hugged him. Then after finishing, when I came back, I was warned that Hon Raila is never hugged. Then I said to myself that I was lucky to have hugged someone that has never been hugged.

Mr. Speaker, I want to say that Raila was a mysterious man. I cannot describe who Raila was. He was somebody who was unique in nature. Raila held the hands of aspirants. For example, when we were doing our last rally in 2022, at Mamboleo Sportsground, after nominations, I could see how candidates would struggle to have Raila lift their hands. I can swear that when he held my hand and lifted it, I felt something running in my body. I think he had some power within him.

Mr. Speaker, I want to say that as a nation, it is the efforts of Raila that has made us reach here, especially, we the women legislators. It is too unfortunate that we have lost a treasure that we shall never ever, again. see in this life. As the Luo community, we have lost our most precious jewel. I am appealing to our people to remain united. Let us also pray for the family of Baba, Agwambo. In fact, we have buried Raila with nothing. Raila has left everything with us. May his soul rest in peace. Thank you, Mr. Speaker.

The Temporary Speaker (Hon. Okumu, MCA, East Seme): Yes, Honourable Seth Kanga.

The Chief Whip (Hon Kanga, MCA, Market Milimani): Thank you, Mr. Speaker. I want to take this opportunity, on behalf of the people of Market Milimani Ward, and my family in general, to pay tribute to my Party Leader, my teacher, my master and mentor, whose demise was untimely.

Mr. Speaker, I take this opportunity to convey my sincere condolences to the family, Mama Ida and her children Rosemary, Winnie, and Raila Junior, together with the entire Jaramogi Oginga Odinga family, the ODM fraternity, Kenya and Africa in general. Mr. Speaker, I have known the Rt. Hon Raila Amolo Odinga E.G.H, C.G.H since my secondary school days. Mr. Speaker, I come from a family of politicians. My father, who is a former Councillor, was never in the political side of the Jaramogi Oginga Odinga. He was a staunch KANU man, who died as a staunch KANU member.

However,Mr. Speaker, I developed the interest of opposition politics at a very young age in high school. That is where I knew the likes of Prof Peter Anyang Nyingó and James Orengo. Mr. Speaker, when you want to narrate or pay tribute to our fallen hero, Rt. Hon Raila Amolo Odinga EGH, CGH, you can narrate the story for a whole day. However, I will summarize, if you give me the latitude to do so. Mr. Speaker, the story of Raila involves sacrifice and resilience, in the sense that Rt. Hon Raila Amolo Odinga EGH, CGH in his early life, as described in various books, involves struggle from primary school, high school, to university, and during the one-party rule, when nobody dared to question governance, rule of law, and when justice was denied. The Rt. Hon Raila Amolo Odinga EGH, CGH is one of the gallant sons of this republic, who came out to challenge the one-party system of government.

Mr. Speaker, during the 1982 coup, Rt. Hon Raila Amolo Odinga EGH, CGH is one of the gallant sons of Kenyans, who were detained, without trial, and not on one occasion, but on two occasions, mounting to around nine or eight years in prison, and came out as a result of struggle of our sons who fought for second liberation, namely Paul Muite, Gitobu Imanyara, Prof Peter Anyang Nyongó, Wangari Maathai, and several others. When he came out in 1992, after the advent of multi-party politics, rather than contesting in the rural constituencies, Mr. Speaker, he ventured into politics to contest in Langata constituency during KANU regime. Mr. Speaker,

Raila Odinga won. After the demise of Jaramogi Oginga Odinga, there was struggle from the leadership of Ford Kenya. The members of parliament then, including in this region, teamed up and Raila was denied the leadership of Ford Kenya when he was contesting against Wamalwa Kijana.

The Rt. Honourable Raila Amolo Odinga E.G.H, C.G.H is one of the few members of parliament in this country who resigned from his seat, Langata constituency, in a newly established political party, the National Development Party (NDP) which later merged with KANU. During the 2005 referendum, where there are two sides of the political divide, one agitating for the unitary system of government, and the other wanted the Bomas draft, which emphasized the issue of devolution.

Raila is one person who loved sports, and culture. He not only loved Kenyan culture but also the African culture. Even when he died, you hear the Prime Minister of India H.E Narendra Modi describing Raila Amolo Odinga as one who loved the Indian culture and the traditional way of treatment in India. Mr. Speaker, when it comes to the Luo history, our history from Bar El Gazel to the Lake region where we reside, Raila could narrate it as if he were there when the Luos were migrating even from Sudan to the Lake region where we are today. He could describe each and every clan with their distinct nature, their distinct way, how they came and the clans which they were associated to it. Like the Kano, he would say that Kano e*n rokog Rachuonyo* to mean that Kano was moving together with Rachuonyo. The Kano people migrated from the current Rachuonyo area as a result of several atrocities and he would narrate that the Rachuonyo people were forcing the Kano people to marry ugly girls. So, the Kano people migrated at night when the Rachuonyo people were asleep.

Mr. Speaker, when it comes to soccer, Hon. Raila Odinga was an ardent soccer fan. Be it national games, or foreign games, especially the Premier League. Mr. Speaker, I have had an opportunity to watch the Premier League together with him. Raila Odinga understood the Premier League as if he lived in London. He described various clubs, the years they were established, various players, and legends in various clubs. When it comes to Africa, Raila Odinga was an ardent Pan-African who consistently followed African Cup of Nations. He could watch each and every game, describing foreign players, African players playing their trade in Europe, various clubs they are playing in, even their tribes, where they came from in Africa. Mr. Speaker, when it comes to the Kenyan Premier League, Raila Odinga was an ardent supporter and a patron of Gor Mahia FC and he could not hesitate to attend even a Shabana versus Homeboys game in Gusii Stadium.

Mr. Speaker, in terms of Luo culture, Raila is the one who initiated the Premier Luo Festival, which is an annual festival where all the Luos in Africa and East Africa, assemble for a cultural festival whereby various cultures of the Luo Festival are displayed, not only the Luo culture but also the cultures of the Maragoli, the Bukusu, and the Agikuyu. Hon Raila Odinga was a nationalist who, even though the Kikuyu leaders could could disparage him, that could not

stop him from attending various cultural activities or funerals in Kikuyu land whenever need arose or whenever death occurred in the Kikuyu land. Mr. Speaker, Raila Odinga was a Pan-Africanist who believed in the unity of Africa. He could go as far as moving around Africa to negotiate conflicts, as it was witnessed between Gagbo and Alassane Ouattara in some years back, when he was the Prime Minister. He negotiated for peace in conflicts in Southern Sudan conflict, Congo conflict and in other places in Africa.

Mr. Speaker, Hon. Raila was an engineer who was once appointed by the African Union to be the High Commissioner for Infrastructure. When Hon Raila talked about infrastructure in Africa addressing road network, railway and electricity generation, he talked as one who knew Africa at the back of his hand. He was the person who could forgive easily and work with his adversaries, as in the case of President Moi, who placed him in detention for eight years without trial. Later, he worked with President Moi, and absolutely dissolved his political party, NDP, and joined KANU and became the Secretary General of KANU. Mr. Speaker, Hon Raila is one person who loved this nation. You remember in the 2008 General Election, when there was a serious dispute, Hon. Raila Odinga went ahead to form a coalition government with President Kibaki even though he was denied his victory.

Just recently, during the fourth President Uhuru Kenyatta's time, Hon. Raila had a handshake despite the fact that his victory was stolen and we saw it nullified by the Supreme court. In the current government led by Dr. William Samoei Ruto, last year, Hon. Raila had a handshake with President Ruto, which made the GenZs describe him as a sellout. As my teacher, I believe that he was not a sellout, but a person who was concerned about the fabric of our society. The society was degenerating into lawlessness, and Hon. Raila had teamed up with President Ruto and formed a broad-based government, which is serving the citizens of Kenya.

Mr. Speaker, as a Member of the County Assembly, I urge, especially the residents of this region, Kisumu, Homabay, and Migori to remian united under the current leadership of our beloved party, ODM, in order to honour the legacy of Honourable Raila Odinga and to strengthen ODM party. I urge the leadership of the party, Senators, Members of Parliament and MCAs in this region who are ardent supporters of Raila Amollo Odinga, and the ODM party supporters to remain in this conviction. As social democrats, we believe in good governance. To honour Hon. Raila Odinga, let us be like the disciples of Jesus Christ, who remained in Christianity and advanced the interest of Christianity. Some disciples like Peter were persecute. Hon Nyaoke is telling me that after the death of Jesus Christ, some of them were crucified upside down. Some of them, like Stephen were stoned to death and some were imprisoned. Mr. Speaker, I believe that people like Honourable Nyaoke and I will defend the ideologies and the policies of Hon. Raila Amollo Odinga, even if we face crucifixion.

Mr. Speaker, when Raila died, several of Raila's ardent supporters were trolled on social media, and I heard the Honourable Junet Mohamed speak about it. Mr. Speaker, rather than opposing

Raila Amolo Odinga, even in his death, I would rather defend him even if it means dying while defending his policies. I believe that, when history is written, a new chapter will be added to his story. And if I am ever defeated in a subsequent election because, for your information, Mr. Speaker, I intend to contest as the Member of Parliament for Kisumu East, then let my name be recorded among those who remained faithful when Raila Odinga passed away.

Mr. Speaker, I want my name to be remembered. I want students in the future to read about me in the same way we read about Apostle Paul who was among those who were persecuted and remained faithful after the death of Jesus Christ. Even the followers of Legio Maria still follow their Messiah, Lodvicus Ondeto, who died years ago. Their children continue to follow his teachings to this day. In the same spirit, Mr. Speaker, I urge all ODM members, especially the Hon Members who have had the privilege to serve under the ODM ticket, to continue championing the ideas and vision of Raila Amolo Odinga. Under his leadership, we have witnessed great things in this Republic. Mr. Speaker, I continue to urge our members to carry forward the mission and values of Raila Amolo Odinga.

Mr. Speaker, today, the grave of Raila Amolo Odinga has become a sacred site a place of pilgrimage. Yesterday, I visited the burial site and wrote that I had gone on a pilgrimage to honour him. Some critics on social media, especially on Facebook, tried to correct me, saying that I should have written “pay homage” instead. But Mr. Speaker, I told them that it is not a place for homage it is a sacred shrine where we pay pilgrimage.

After visiting that sacred site, I felt a sense of relief. I had not been eating well since Raila Amolo Odinga passed away. However, after the pilgrimage yesterday, I felt renewed. My appetite returned, and today I even went for lunch with the Clerk of the Assembly, Mr. Owen Ojuok and I ate very well. Mr. Speaker, I am now at peace. With those remarks, I rest my case. Thank you, Mr. Speaker.

The Temporary Speaker (Hon. Okumu, MCA, East Seme): Thank you so much, Hon Member for Market Milimani. I gave you a lot of time beyond the limitation of debate, because I knew there is only one person left, and we shall be done with the contribution on the Motion.

The Temporary Speaker (Hon. Okumu, MCA, East Seme):Yes, the Honourable Abeid Miriam.

Hon. Abeid (Nominated Member): Thank you, Mr. Speaker and Hon Members. I stand to give my respects to the late Rt. Honourable Raila Amolo Odinga, E.G.H, C.G.H, one of the greatest sons of Africa. As I stand here today, I bring also the respects from my family, people of Kaloleni-Shaurimoyo ward, the entire Muslim community, and all the marginalized communities in this country.

Mr. Speaker, I know sometimes we meet at this Assembly, but we do not know each other’s background. There are times people come up with narratives. I want to speak here categorically

as a daughter of an Arab Muslim father from Yemen, who was bullied during the KFF competitions, when people were vying for the leadership of the KFF, when I was still a young girl at Arina Primary School. Raila Odinga did not just hold my hand when I was looking for nomination. He held the hands of my father. And courtesy of Raila Odinga, in a time when looking different meant you could not hold some positions, my father became the first Arab KFF Treasurer in this country and it all happened because of Raila Odinga. For me, as Honourable Miriam Abeid vied in 2022, and as our Whip said, sometimes you get or you do not. I was on the team, that did not win. However, when I went to Raila, he asked my father and I whether we wanted to join the independent party but my father said no, that is why we are here. He further told my father that I am still young and that he would ensure that I represent the Muslim community. And today I stand in this assembly courtesy of Raila Odinga.

From my community, again, I want to urge leaders in the ODM party that a lot has been said. Some very nice things about our party leader, but the ODM party leadership should not forget that the ODM fraternity is home to not just to Luos but also to Muslims from Somali community. It is home to Arab Muslims from Mombasa. It is also home to Luhyas and everyone. Therefore, in the spirit of keeping the legacy of Raila Odinga that was built around inclusivity, social justice, we ask the party not to alienate the rest of the community that were also in ODM party courtesy of Raila Odinga.

Mr. Speaker, I also want to urge the people of Kisumu to embrace unity and to make sure that we carry on the legacy of Raila Odinga, just like the Whip has said. We live in a country where for the longest time, ODM party has always been the strongest party, the most consistent party from as long as I can remember. And as Raila Odinga always said, that do not cry for me, cry for your country. He told us that in 2017, after the aftermath of the 2017 presidential elections, there was a lot of emotions and Raila Odinga kept saying, do not cry for me, cry for your country.

In that spirit of not crying for Raila, crying for our country, let us respect and honour Raila Odinga by making sure that the ODM party is the most democratic party in this country. We should continue the legacy of Raila; inclusivity, good governance and fight against tribalism. I also want to tell the ODM party not to be afraid to remove people who are supporting Gachagua and that during the day they pretend that they are with us in the party.

I know for a fact that there are people around Raila who spoke to him every day. And if they tell us that he said that the party should go in a particular direction when he dies, that is the direction we will go. But we do not want people in the party who during the night pick money from our opponents who are insulting Raila like Gachagua, and during the day they are with us and claiming to hold party positions. Thank you, Mr. Speaker.

The Temporary Speaker (Hon. Okumu, MCA, East Seme): Thank you, Hon Members. By the list of contributions before me now and the Members in the House, it seems everyone in the

House has contributed, and I might not find a Member who has not contributed to call the Mover to reply. And on that note, I want to call the Hon Kennedy to reply.

The Leader of Majority (Hon. Ooko, MCA, Ahero): Thank you very much, Hon Speaker. As I stand to reply, I also want to pass my heartfelt condolence to the Odinga family.

Honourable Speaker, I have learned that the Rt. Hon Raila Odinga, E.G.H, C.G.H held many hands in this House. I also want to join my colleagues, Honourable Seth Kanga and the Member that has just contributed, Hon Abeid. In 2017, my certificate was given to number four, so I was in the team that did not make it. And when we remember when Raila was leaving for prayers in Israel, he directed Hon James Orengo to give me back my certificate, and I got it back. I thank him for that.

Hon Speaker and Hon Members, I also want to thank the Rt. HonurableRaila Odinga, because without him, I would not be holding this position that I am holding today. Hon Speaker and Honourable Members, Members contributed, Honourable Pamela, Honourable Ochele, Honourable Ratib, Honourable Ajumbo, Honourable Ngeta described Raila Odinga as a name that is synonymous with the struggle for justice, democracy, and equity in Kenya. A name that stands as one of the most architects of the country's modern political landscape. They went ahead to describe his relentless pursuit of a just society, grounded in the principles of Devolution, multi-party democracy, and constitutional reform.

That has transformed Kenya in many ways that are unimaginable today. Hon Speaker, Honourable Seth Kanga, Honourable Pamela, and others, described Raila's vision for Kenya's future as one that has been rooted in the belief that power should not be concentrated in the hands of a few, but rather spread across the nation, empowering local communities. Honourable Speaker, they went ahead to recognize that the true development and equity could only be achieved by giving county governments the resources and autonomy to address the unique needs of their people.

Honourable Seth Kanga, Honourable Ochele, and many other Members, described Raila Odinga as the Father of the 2010 constitution, which ushered in Devolution that was a milestone that Raila helped to shape. His unwavering commitment to the idea of devolved governance not only sought to improve service development, but also aimed to foster local leadership and accountability. Through the efforts of Raila Odinga, counties became the epicentre of development, bringing governance closer to the people and giving Kenyans the power to shape their future.

Indeed, as Members of this Assembly, we hold positions today and bring in this House as legislators to the honour of Honourable Raila Odinga. Honourable Speaker, Honourable Ochele, described Raila's most significant contribution as the fight for Kenya's constitution, Raila's

leadership in the fight for continual reform that was pivotal in securing a more inclusive, democratic, and just system of governance. The new constitution that Raila fought for addressed historical injustices, promoted gender equality, and guaranteed fundamental rights for all Kenyans.

They went ahead to describe Raila's role in the push for constitutional change that was not merely political, but as was described by Honourable James Omollo, as it was personal. Having been a victim of a flawed political system that marginalized many for the benefit of the few, Raila Odinga understood that a new framework of governance was essential for healing a deeply divided nation. His courage in standing for the oppressed and voiceless, despite personal cost and sacrifice, is a testament to his unwavering belief in justice.

Honourable Speaker and Members, Raila Odinga's fight for multiparty democracy is another pillar of an enduring legacy, as was demonstrated by Honourable Seth Kanga, Honourable Carren, Honourable Oiko, Honourable Ochele, and Honourable Ajumbo. He fought against the authoritarian regime that stifled political pluralism and denied Kenyans the right to choose their leaders freely. Raila's steadfast opposition to single-party rule, combined with his resilience in the face of oppression, ultimately played a key role in the democratization of Kenya, as we witness today.

Mr. Speaker, Raila Odinga is not just a political figure. He was a symbol of struggle for political freedom in Kenya. In the early 1990s, Raila's activism was instrumental in the successful push for the introduction of multiparty politics in Kenya, ending decades of one-party rule under the Kenya-Africa National Union. That is why, as ODM Members, we must remain united and steadfast to ensure that we safeguard the ideals of the party and entrench its values and Membership. For this will be a perfect way to honour Raila Odinga's legacy. Honourable Speaker, Honourable Pete, Honourable Ochele, and many others described Raila as a force to ensure that every Kenyan has access to justice and the means to live with dignity have made him a voice of hope for many throughout his political journey.

Raila Odinga constantly championed the cause of justice and equity, as described by Honourable Anne Ochola and Honourable James Omollo. His commitment to the marginalized and dispossessed, be it in the struggle for land rights, education, or fair economic opportunities, as was described by Honourable Ratib. Honourable Speaker and all Members, Raila's leadership in pushing for accountability, transparency, fairness, even when it meant standing against powerful forces in this country, has earned him both admiration and opposition, as was described by Honourable Kelvin Oraro. Yet, his resolve to confront inequality and expose injustice has never wavered. And in this, Raila embodies the essence of a true freedom fighter, someone who sacrifices personal gain for the collective good. As I conclude, Raila Odinga's legacy is not

merely written in political titles or victories, but in the profound impact he has had on the people of Kenya.

His legacy is felt in the institutions of Devolution, in the rights guaranteed by the constitution, and in the vibrant multi-party democracy that now defines Kenya. As Kenya continues to evolve, Raila's vision remains a guiding light, reminding us that true progress lies not in consolidating power, but in dispensing it, giving every Kenyan, from the rural heartlands to the urban centres, an equal stake in the future. In honouring Raila Odinga, we honour a life devoted to the ideals of justice, equity, and empowerment of the people. He is a man who fought and continues to fight for a better Kenya, one way of freedom, fairness, and opportunity at the birth right. of every citizen. His work is a reminder that democracy is a journey and not a destination, and that the struggle for justice must never cease. Rest in Eternal Peace.
